

## WOMEN'S GROUP

The purpose of the Women's Group is to provide fellowship, sponsor mission work (local projects), and provide a monthly meeting for prayer and planning. Most meetings are in conjunction with a luncheon held after worship in Fellowship Hall on the second Sunday of the month. All women of the church are invited to attend.

Projects for the 2013 year include beautification of the church (including flower decorations), landscaping for the church (including weeding flower beds), and a renovation of the kitchen (this project will be extended into the year 2014).
