

Retreat Insight

Everything you need to know about your upcoming trip to camp!

Getting to Camp:

Directions:

From the 15, take The 76 east to S6 (windy, shorter) OR S7 (straighter, longer) to the top of Palomar Mountain. Then take State Park Road (Turn left on the road that is just before the General Store.) Go through the State Park (no need to pay the \$8.00 fee) and follow the signs to camp. Our driveway is about 2 miles into the park to the left (The next road after you pass Cedar Grove Campground)

DO NOT TAKE NATE HARRISON ROAD! It's a fire road that turns to rough gravel halfway to camp and has deep potholes and sharp curves.

There are no gas stations on the mountain, so make sure you are filled up (half a tank or more) before coming to camp.
