

MUSIC 101

Listener Worksheet #5 (Free Page!)

10 Listener Points

Directions: Can you think of a musical topic that you would like to know more about? Here is your chance to learn about it and earn some listener points! Any musical topic counts! Here are some topic ideas to get you started: instruments, musical genres (jazz, classical, etc.), musical groups (bands, orchestras, chamber groups), music of a certain country or culture, musical techniques (like scat-singing or improvisation). Look it up and write about what you learned below. Don't forget to write down your source in the source box.

Student Name: _____

Topic (What did you look up?): _____

Fact Box

List at Least 3 things that you learned about your topic:

1)

2)

3)

Source

Where did you find this information? List website, book, etc.
