- 3) Professor of public health at Nebraska Medical Center's Masters of Public Health program. Taught Public Health Leadership & Advocacy.
- 4) Taught the following courses at UNO: Public Health Leadership & Advocacy (cross-listed, graduate & undergraduate), Alcohol Education (graduate), Drug Awareness,

Community Health, Healthful Living, Health Concepts of Sexual Development, Methods and Materials for Teaching Health Education, Human Sexuality (graduate), Health Aspects of Aging (cross-listed, graduate & undergraduate with Gerontology Program), Stress Management, Health Aspects of Stress Management (graduate), Teaching Controversial Issues (graduate), Health Education and Physical Education for Elementary School Teachers, and have served as course leader for a CDC Distance Learning course in Principles of Epidemiology and for a distance learning cybercourse on drug education. Served as student teacher advisor and community health practicum advisor and chaired and served on numerous thesis and doctoral committees.

- 5) Exercise class leader for older adults since September 1983 at Omaha Housing Authority's Underwood Tower (19 years), now located at de Freese Manor (one year). This program, which meets every Friday, all year round, also serves as a training site for UNO students and other leaders in the community. UNO students log approximately 50 hours of observation/participation each year. This program has been nationally recognized by the President's Council on Physical Fitness and Sports in both their national newsletter and a nationally distributed film entitled "A Nation of Winners." In addition the program was awarded the C. Lynn Vendein Award for Excellence in Exercise Programming for Older Adults by the Council on Aging and Adult Development, (A Council within the American Alliance for Health, Physical Education, Recreation, and Dance), St. Louis, MO, March 22, 1997.
