PERFECTING YOUR FACILITY'S PROCESSES IN THE PATIENT DRIVEN PAYMENT MODEL (PDPM)

Now that PDPM has arrived, perfecting your facility's processes is paramount! Through both holistic care services and financial know-how, providers not only can be successful in quality measurements and outcomes, but ensure proper payment calculations are achieved and quantified. This workshop will detail process refinement and deliver the educational references necessary to obtain such results. A refresher on grouper mapping and ICD-10, and a review of the CMS October 7 updated release will be part of this 1½-day course as well.
