Students may spend the whole day in class, if both morning and afternoon sessions are purchased.** Supplies not included. A parent is encouraged to return 30 minutes prior to dismissal on the first class day to help with shopping. **Adults are welcomed to join this class.** Students with sewing machines are encouraged to bring them.

ADULT SIT-N-SEW (all levels welcomed—even those who have never sewn!)

For the student who needs all of the basics (including use of a sewing machine), as well as the student who sews but needs motivation, shortcuts, new techniques, and help with fitting and understanding patterns. Students may sew for themselves, their home or their child. This course may be taken as often as you wish, selecting a new pattern to learn new skills each time. All sewing may be done in class on our machine or yours. Bring any sewing supplies you may already own, including a sewing machine, to the first class. **Adults are also welcomed in the Kids & Teens class.**

15 hour course
