Our class has sold 38 shirts so far! Our first order will be going out this week. We hope that once that happens we will be getting another wave of orders. Everything has gone very well and we plan to expand our business next year.

Knowledge Bowl

Students have been hard at work practicing for our State competition on April 21. The team's practices have been going very well and I feel that they will place well at the competition. They even took the initiative to ask for more practice time after school so they are really taking the competition seriously.
