Dear Parishioners,

Time flies! It is time to make reservations for our 17th Annual Parish Weekend scheduled for **March 15-17, 2019**. Our weekend theme is “**We are Holy Spirit**”, because now, more than ever, it is important for us to remember that we have each other, and that together we can build our future. Brother Kenneth has graciously agreed to join us and offer some special programming, and we have fun activities for you to choose from as well.

As always, there will be fun programs for our K-5 children as well as for our middle and high school students. Julie Wilson and Shannon David have great projects in mind for them! Nursery will be provided for children age 4 and under during adult program time. As always, there will be good food, much laughter, free time to hike or nap, and opportunities to connect.

You will find printed registration information in the Parish Hall and hallway tables, or you may go to www.ecohs.net and print your own. In order to give Camp Mikell a preliminary count, please submit your **completed registration form and 1/2 payment to hold your reservation no later than February 22nd. Full payment will be due March 9th**. We will accept payment by cash, check, or through online giving at www.ecohs.net.

Please note that registration fees cover expenses passed on to us by Camp Mikell for 2 nights lodging and 6 meals, as well as programming for the weekend. While this is a very affordable weekend for what is provided, we realize that cost may be a concern for families. As an option, dorm space at a significantly reduced rate is available for our use at Mikell. Please see registration form for fees and other registration information. If cost is a concern for your family, please contact Cathy Schlecht, as financial assistance is available.

If you have any questions or would like more information about our Parish Weekend, please contact: Sylvia Cardona, 678-697-6612, sylvia.LFC@gmail.com

We look forward to another fun, spirit-filled Parish Weekend and to seeing **YOU** at Camp Mikell in March!

Peace,
Parish Weekend Committee
