Prior Months Meeting Minutes:

The May minutes were not read.

Old Business:

* Gary asked if anyone knows where we can get good low-cost dirt. We need some now.

* Need any ideas on how to get more participation at the fun flies.

* Tony with the Parks Department has been in contact with Jim Rippy on getting us a set of bleachers for the field.

New Business:

* The FAA Regulation of registering our aircraft with them was declared void on 5/19/17

* Gary spoke with one of the new neighbors on the South end of the field. He was very excited about getting

with other of his neighbors to start coming over and watching and possibly joining the club.

Reminder - AMA Cards must be displayed one's persons while flying at the field, with the club sticker. There are card sleeves in the Club house in the file cabinet second drawer for members to use to pin or clip on. This helps verify AMA insurance and club membership. Thanks you for your compliance.

Reminding all Club members that Guest can fly three separate occasions before being required to join to fly as a club member.

What's New:

* Bob Hall brought a modified Cloud Dancer and he stick built from old plans. He converted it to electric and used lighter materials to reduce weight. It weighs 46oz without the battery. He hopes to maiden it soon.
