

This summarizes the DXCC totals of participating members of the Central Arizona DX Association (CADXA). This document is updated once a quarter. Join the CADXA_SHARE1 Yahoo Group for announcements of where and how to send your latest totals.

The listings take two basic forms: Mode and Band. Only mode listings (including Mixed) contain the notion of deleted entities and only mode listings have Honor Roll status. WRK is all-time worked, CFM is all-time confirmed, NET is all-time confirmed minus deleted. WRK-NET means worked minus deleted (used for DXCC Challenge because DXCC Challenge eliminates deleted entities altogether). Honor Roll is indicated in bold (still 330 this quarter).

The end of the listing includes 5BDXCC and 5BWAZ. DXer of the year is now on the website.
