

## South Lake PTSA Directory

Once again, the South Lake PTSA will be compiling a school directory at no cost to you. The directory will contain a list of the students that attend South Lake Middle School and will include your student's name, grade level, telephone number, address, and parents' names and email addresses.

The directory will also contain pertinent school information including: staff phone numbers and email addresses, the Bell Schedule, School Calendar, PTSA Board and Committee Chairs' contact information, and the South Lake PTSA website address.

The information used for the directory will be taken from the data on file with the school office.

**South Lake PTSA will assume we have  
your permission to include your student's information in the directory,
