

# ODP SUB REGIONAL

Wyoming is excited to announce ODP Sub-Regional Event that will serve as an opportunity to identify top level players to the Olympic Development Program. The benefits of attending one of this event include:

- ✓ Observation & Training by USYS RIV Coaching Staff – ***High Quality Training!!***
- ✓ Training is here in Wyoming allowing for player to be seen in their own environment without the additional cost of traveling out of State for an extended period.
- ✓ Event format is 1 and half days to easy scheduling conflicts with school and other activities
- ✓ Provides opportunities for players to be exposed to college coaches, experience collegiate level coaching techniques, and exposure to collegiate recruitment at a later date
- ✓ Players identified through these events may be added to the respective Region IV ODP Pool and possibly invited into a Pool Camp which may lead to Teams will be selected to represent Region IV. Players representing Region IV at the national events have the opportunity to be selected into the National Pools or National Youth Teams.
