TOMMY JAMES WORD CLOUD

Word Clouds are pictures made of words. This one uses words from the book Tommy James The Littlest Cowboy in Reckon. The more often a word appears in the book, the larger it appears in the Word Cloud.

1. Verbs work hard too because they are words that describe what we DO. They are action words, like snore and go. Circle as many verbs in the Word Cloud as you can.

2. Nouns are objects, like car and house. Draw squares around the nouns.

3. Make your own Word Cloud. First, make a list of things you like. Then draw the outline of a shape you like. Write the words into the Word Cloud. Remember to write your favorite things larger.
