Groups

Competition classes will resume August 14 for ALL Group Choreography. We will be doing the groups in 2-3 hour blocks from Monday August 14 through Friday September 1. When you receive your list of groups for the upcoming season, you will also find out the days and times those groups will come in during those times to learn the choreography. You must make your group decisions by the day each class meets to learn the choreography. Once you show up to the class, you are required to participate in that routine for the duration of the year.

Solos/ Duos/ Trios

This year, we will be doing most of the solos/duos/trios throughout the year during each regularly scheduled time slot. You will not pay for solo/duo/trio choreography this way. If you wish to come in during the weeks we are choreographing the groups to learn your solo/duo/trio up front, you must let us know on your registration form. There will be a limited number of these slots and they will be on a first come first serve basis.

If you decide to come in to learn your solo/duo/trio in a block choreography time, you will be responsible for a choreography fee which will vary depending on the teacher you choose to choreograph the routine. These prices are available in the office. Please mark accordingly on your registration form if you want to schedule solo choreography over the summer.
