- c. Just to clarify, members may take: 3 learners edge, 3 UC Pueblo, and 2 Marygrove classes
- d. Teacher/student discipline- again- all info should be put into school tool to document for the benefit of staff and student. All injuries should be documented with the school nurse
- e. Sub google doc- if you are asked to sub for a classroom teacher, consider logging it on our google doc. Please share this at your building level meetings and send new private email addresses to us to add them to the list for access. We are not using district email for this doc.

### IV. Treasurer's Report (Mary Gotham)

- a. Financials- looking at budget- every year it looks like we are spending more than we take in, this is fine. The biggest budget line is based on a formula given to us by NYSUT for dues.

- b. There was an error in the budget line that looks like a larger amount than should have been. It was corrected so the budget accurately accounts for spending.
- c. \$57,807 balance.

**V. Vice President's Report (Mike Perkins)**

- a. Update on OT/PT issue- Dave S and Mike met with OT/PT to find out what they want in their contract. They want to be counted as or considered a teacher with all their benefits. Dave Schreiber will present this to the board for the OTPT.

**VII. Membership Chair (Matt Bolha)**

Please check in and continue to send Matt updates of people who come in and out of membership

**VIII. Building Level Reports**

**HS None**

**CMS** concerns with how math is structured in CMS and WGMS

**WGMS** a lot more ENL students and with newly hired teacher, it seems to be unclear how they are supposed to provide service. Some questions about collective responsibility.

**EH** what to do with extra calendar- bring back- we will redistribute

**SR none**

**OR** Science- we are trying to fit it in but we don't have time in our schedule to teach it. Put it on PLC for SLC to have the discussion.

**STB** OTPT is in tiny office, so they are using the hallway- concerned about confidentiality/privacy

Sped Teachers sharing space. And its getting worse given the resource/consult model

**STG-** still waiting on ELA curriculum- don't have workbooks or manuals

Why are we bussing ENL kids in when Stonehedge is already busting.

**Nurses-** none

Motion to Dismiss- by Theresa Mosey and seconded by Mike Perkins

Meeting adjourned @ **5:30 pm**
