- A. Dave began the meeting at 6:58 pm with 20 members present.
- B. Dave welcomed everyone to the meeting and asked if anyone had any new information concerning any of our members. He said he was glad to be back after a two month absence. He also thanked Kink for taking over during his time away.

3. COTO'S Treasurer Report:

- A. Dave Wilson gave the report in Polly's absence and stated that we are solvent

4. COTO'S Secretary Report:

- A. No Report

5. Old Business:

- A. Dave gave a big THANK YOU to Larry & Bev for hosting the annual Baker/COTO pool party. They went above and beyond with their hospitality and everything was perfect including the weather.

- B. June cruise was held Sunday June 25th. We had a very spirited cruise down to Mountain View for lunch at the Wing Shack. Thanks Rick & Laurie Leeper for the great cruise.
- C. The July cruise was held Sunday July 9. Bob & Cindy Hegerman were the hosts and we all had a great cruise to the Buffalo Point Restaurant. Lunch was great and so were the pictures. Thanks Bob and Cindy.
- D. Our Christmas Party will be held on Saturday, December 2nd at the Elks Club. Dave stated that he needed to make a \$60.00 deposit for them to hold the room. This money will be deducted from the cost of the meal. He said he would need a check made out to the Elks Club. Dave reminded everyone not to wait until the last minute to get your gift for “Dirty Santa” exchange. Remember, the goal is to keep it under \$25.00.

6. New Business:

- A. Dave has acquired some electrostatic stickers to place in your car indicating the owner as a Vietnam Veteran. If you were awarded a Vietnam Service Ribbon, then you are eligible to display the sticker. Please let him know if you are eligible.
- B. Dave has asked Rick Leeper to order 20 more club stickers. They are \$2.00 per sticker. If you have changed or bought new cars he still has a few.
- C. Dave asked if everyone had picked up their T-shirts. If there is an interest in another printing please let him know. He will contact Chris at the Cotton Company and make the arrangements. If there is another printing he will let everyone know when the print deadline is.
- D. The August cruise will be led by Tommy and Betty Webb. The cruise date is set for August 6 and they will be leading us to Mammoth Springs. We will have lunch at the River Bend Restaurant. Dave will send an email out letting everyone know where we are meeting and the time.
- E. Jack Allison has asked if we would discuss the need to have our cruises only on Sunday. Jack said our newest members, Richard and Carla West, would very much like to participate in the cruises but had other obligations on Sunday. We talked about in the future having Saturday runs or maybe even during the week. We talked about a few club members that still worked and possibly worked on Saturday. We spoke of Laurie Leeper, since she is a regular cruiser and said we

think she no longer works on Saturday. This is something for all of us to think about. Please give us your thoughts on this.

7. Open Floor:

- A. On our cruise in July, Dave took some movies with their “Car Cam”! He has tried to send them out to everyone via email but hasn’t been successful with that method. Also, our website doesn’t do audio or video. Frank Midkiff suggested putting them on YouTube. Dave said that method would be new for him but would look in to it and learn how.
- B. Tommy Webb suggested that we think about trying out a new place to hold our meetings just for a change. He said the manager of El Chico had approached him and others during the Classic Chevy Cruise-in and offered a meeting room if we were interested. Dave mentioned that the club had tried different places to meet in the past and thinks for the most part everyone is happy to keep meeting at The Arena. He suggested that for a change of pace we could think about having a short special cruise and try out some different places to eat here in Mountain Home. Kay said that once a month there is a car show at El Chico and it is kind of a drop in. It is held on the 4th Sunday of the month at 4:30. Maybe we could all drop in some time.
- C. Larry & Bev Baker have a brand new Red Corvette! It is a beauty!!!
