

PLAYERS CHOICE ACADEMY

PCA'S BASEBALL TRYOUT

.....

PCA is holding tryouts for their 11U, 12U, club teams. If you are looking for a place to play and improve your skills let the PCA coaching staff help you raise your level of play.

Player's Choice Academy is looking for players to join talented teams.

If you are a catcher you will get plenty of innings. You will also benefit from our professional catching coaches to improve your catching skills. PCA has their own baseball training complex which enables us to really hone your skills. Complete with 2 fields, 6 batting cages, 4 pack of clay mounds and a soccer field to work on agility training and outfield work. There are no dad coaches.

Each team will a professional coach manage the team and there are 4 professional coaches training the players at each practice. Every team is trained by former Major League All Star Steve Ontiveros.

Steve has 7 players that he has trained reach the Major League level. Over 95% of PCA players make their high school teams. 7 players have made their VARSITY TEAMS over the last 4 years as a freshman.

Our job is to prepare, teach and improve skill sets to prepare them for high school baseball. IF you have a talented player and want him to elevate his skill sets, then contact us at:
