

BOYS DANCE FREE

Scholarship Program

Here's the deal!. I can't take away everything that prevents a boy from taking dance class, but I can remove one small barrier. That's why the Boys Dance Free Scholarship Program was starting. It's pretty simple. Any boy of any age can enroll in one class for a year for free if space is available. This is my way of encouraging the next generation of guys, who might be interested in this really cool and athletic art form, to forget about what other people might think. . . and dance. Healdsburg Ballet has created several male dancers who are still performing. It's time to DANCE...
