

JUNE 29 & 30, 2024
13TH SUNDAY IN ORDINARY TIME

By: The Word Among Us

They were utterly astounded. (Mark 5: 42)

Of course, they were astounded! The disciples and the parents of the young girl had just seen Jesus raise her from the dead. Now, she was walking around as if she had never been ill. And just a few minutes earlier, a woman suffering from a hemorrhage for twelve long years had been instantly cured just by touching Jesus' cloak (Mark 5: 27-29). Both were amazing displays of power, and both demonstrated that Jesus was no ordinary rabbi.

We don't know if the young girl's father or the afflicted woman really understood that Jesus was the Messiah, when they reached out to him. But they must have sensed that he came from God, given what they had already heard about him. Clearly, they believed in his power enough to approach him for healing. Perhaps they didn't know how their encounter with him would end, but they put their hope in him and stepped out in faith.

We do know that Jesus is the Son of God, and yet sometimes we can find ourselves doubting his power. Can he really heal me? Can he really forgive my most shameful sins? Will he one day raise me to new life? And yet the kinds of stories like the ones in today's Gospel reading didn't just happen in the past. Jesus still acts powerfully in our own time and place. Conversions, healings, answers to prayer—these continue to abound.

So, believe in Jesus' power, as Jairus and his woman did. Step out in faith and ask for what you need. Keep asking even if you don't see immediate results. Even if it seems as if you're not getting what you're asking for, don't give up hope! Believe in Jesus, Lord of heaven and earth, has the power—and the desire—to heal you and give you new life. This is why he came to earth, and he will do it, in his own perfect time and way!

“Jesus, I am reaching out to touch you cloak today. Heal me and pour your life into me!”

FROM THE PASTOR'S DESK

Dear Parishioners,

Upon entering the church, you will notice the new dossal curtain underneath the canopy in the sanctuary. This is a wonderful gift to the church, and I am grateful to the Portuguese members of our community who so generously made this possible! The quality and beauty of the curtain is a dramatic change from the worn canvas that hung there for many years. The new cloth is a beautiful velvet of fine quality, imported from Belgium and lovingly sewn by one of our parishioners. A project of this size was no easy task, and I want to acknowledge the skill and patience of the seamstress. While the material is new, the design is a restoration of the original plan for the altar and canopy, as you can see in the photograph located in the vestibule. Returning to the original design puts the canopy and the crucifix back in their original architectural context, and the color and weight of the new material draw the eye in a graceful way to the altar and tabernacle. While we are addressing practical needs in the church (such as the repair of the heating system), it is also important that we put energy and resources towards maintaining and creating things of beauty. The cleanliness and beauty of the church, most especially the sanctuary, reflects our love and respect for the Lord, the Holy Sacrifice of the Mass, and our faith in the Real Presence. *I have loved, O Lord, the beauty of thy house; and the place where thy glory dwelleth* (Ps 25:8).

God bless you for your ongoing support and generosity,

Fr. Pacheco

News From SJSDR Catholic School

With God's many blessings which include being a part of this wonderful parish with all of your support, our school has successfully ended its 4th year of operations. Our work continues to support families of our parish and our community to give their children a truly Catholic education in which the students are able to grow in more than just academic strength. Some of our students were able to work ahead of grade-level, while others received invaluable, unlimited one-on-one support, in math and reading. Our students study Latin which is the language of science and of our Faith. This year, too, we added a music program and enjoyed many wonderful field trips to take our learning out into our community. And most importantly, our students are always complimented for
