President's Piece

June 2023

Dear SBOC Members, Friends and Colleagues:

Hope everyone is off to a good start with this year's Building Safety Month. This year's theme is "It Starts with You" and is designed to bring awareness to the need to adopt modern building codes and help residents understand what it is that we do for our communities. Please make your elected official's aware of Building Safety Month and to issue a proclamation stating as such.

The SBOC Board is always working to fill our programs for our monthly training meetings. Should you have any thoughts for a monthly training session, feel free in contacting any of the Board Members.

The SBOC Board is also looking for volunteers. We can use any help you are willing to offer. Without your support and volunteering, SBOC would not be what it is today. If you are not sure, just give it a try, you are always welcome to attend a Board meeting – we start at 10:30 AM prior to our monthly training meetings. If you would like to volunteer or attend a Board meeting, please contact me or any other Board member. If you have any training opportunities or training ideas, please contact us through our website or email us at admin@sbo-7.com.

Do you know anyone looking to make a career change, or are you yourself looking for a change? If so, please visit the SBOC website above for the latest job opportunities.

I hope to see everyone at the June training on Thursday the 15th, for "How Local Governments Can Prepare for an Electric Vehicle Future" presented by Cheryl Scott, Sustainability Specialist with the Metropolitan Mayors Caucus & Tim Milburn, Advisor and Partner with Green Ways 2Go, more information on this program below on the next page.

Best Regards,

Steven Martin

Steven Martin, MCP
SBOC President 2023
