To our members, **"Thank You!"** for another great year of golf at **Hawk Creek Country Club** in **2016!** We had a great year last year and are already **looking forward to 2017.** Our success is built on the friendships and family ties in our membership, and it remains a great place to spend **quality time** with your friends or family. To make sure that it is, we're continuing our "Friends and Family Promotion" which is highlighted on the side of the newsletter.

It should be easy to share – you'll find that our 2017 membership prices are very affordable, especially in comparison to other area courses. To welcome you back and your friends in, *we've left our 2017 prices the same as in 2016!* That's the second time in the past four years we've left prices the same! A **single membership** is still just **\$485**, a **couples membership** is only **\$620**, and a **family membership** is just **\$750**. We believe that other area courses would be hard-pressed to match our **commitment to our members.**

We worked hard in 2016 to keep the course in **top quality shape** and it really paid off. Our greens and fairways remain in **great condition** thanks to our **hardworking** grounds crew, and our course is the **friendliest** thanks to our **wonderful clubhouse staff.** We had **awesome volunteers** help put in a new pond liner, and we're making other updates around the clubhouse including a new deck and a patio. These investments will help ensure that our course is a nice place for members and visitors to **enjoy for years to come.**

We were proud to send Brady Madsen and Levi Hauser to state golf! Brady finished 2nd in Class A and Levi finished 32nd in Class AAA! Great job boys!

We continue to offer **fun and challenging tournaments** during our summer schedule, including the **Eagles Scrambles** in the spring and fall, the **Grader Cup Classics**, two separate **Night Golf** events, and the **Doug Hultgren Memorial.** This year we will also host the **21st annual Senior Tournament**, **27th edition** of the family friendly **Dewey Open** and **6th annual MACCRAY Football Alumni Scramble.** We will also continue to host the popular **Golf Leagues** on Tuesdays, **Wednesday Morning Senior Scrambles**, and **Thursday Night Scrambles**, as well as other fun events throughout the year!

The clubhouse will open on **April 1, 2017** and weather permitting, the course will open in April as well. If you'd like to **rent the upstairs** of the golf course for your event (including class reunions, graduations, wedding receptions, groom suppers, etc.), please contact us. In the meantime, you can check out the Hawk Creek Country Club website at hawkcreekcc.com or facebook.com/hawkcreekcc

Thanks again for all your support!
We hope you'll join us for another great season of golf in 2017!
