

Dearborn Dance Academy Studio Rehearsal Schedule 2023

These mandatory rehearsals, held at the studio, are for students in all of the classes listed below. For gymnastics students, this is the only opportunity for everyone to understand how the whole gymnastics show comes together. This is the only opportunity for everyone to learn the finale. It is also a chance for children to adjust to being around many other dancers as they perform.

Dancers should wear regular class attire—no costumes!

Classes not listed will not have a special studio rehearsal. Their rehearsals will be during regular class.
