Happy Trails!!

We are looking forward to Spring, as I am sure you are too! The calendar is complete and posted, both on Facebook and on the website. We are excited to offer multiple events this year and get back to normal. Please review the calendar and see what you want to participate in and what events you can volunteer for. We need member participation to keep the club looking it's best. Did you know that in order to keep the club looking good it takes one person about 10 hours???? That is only the outside – mowing and weed whacking. YIKES!!! That is only two items that need done! We have blackberries to keep at bay and trails to keep clear, fences to paint, gutters to clean, and a building to clean. That doesn't include the hours spent one prepping and running events. So, when are you available? See you soon!

FUN FACT:

Horses have bigger eyes than any other mammal that lives on land.
