Who: Our audiences will consist of students between the grades, normally, of 5th - 8th grade from all over the State of Wisconsin. Usually, the participating school districts are from southern WI. Last year Bayfield came down. The event has seen around 1500 students per day. Yes, it can be a very busy couple days.

Why: We all volunteer our time for various reasons. However, I believe we can all agree, that if we don’t communicate, interact with the youth of today, tomorrow might have us as a mere footnote. Losing our valued heritage is unacceptable. Please consider joining me and the others on a very exciting couple days in May 2020.
