# GAGC Q&A

## Q. How is tuition credit calculated when I purchase a gift card?

**A. The GAGC Program is first an HGA Parish Fundraiser, but to off-set tuition costs, the Parish generously splits the rebate with families whose children attend HGA, PREP, Berks Catholic, and/or Catholic Colleges & Universities. The chart below reflects how the rebate is broken down.**

You purchase a \$100 Old Navy Gift Card. With the current bonus – the rebate on the \$100 Old Navy Gift Card would be: \$18.00

Total Rebate	\$18.00
Subtract 1% Program Overhead	- \$1.80
	\$16.20
The remaining rebate of \$16.20 is then split 50/50 with the family.	
50% to HGA Parish	\$8.10
50% to Your Tuition Account	\$8.10

## IMPORTANT!

Once your tuition credit amount reaches \$150 – rebates from gift card purchases are no longer split with the Parish. From the date you hit \$150 to the end of the Program Year – all rebates earned go to the family (minus a 1% overhead fee).

Total Rebate	\$18.00
Subtract 1% Program Overhead	- \$1.80
Total rebate to Your Tuition Account	\$16.20

***The key is to get your tuition credit to \$150 as fast as possible so you can begin receiving the full rebate! Some tips on how to get to \$150 quickly:***

- Recruit your family and friends to purchase GAGC for you! And Ask them to write your Account Name on all order envelopes and forms and when they sign up for the Online Option to ensure credit from their purchases are directed to your account.
- Plan ahead! Do you have home projects planned? Looking forward to new fall clothes? Have birthdays, anniversaries, and other special occasions? Start buying gift cards to purchase what you will already need in the future now so your tuition credit amount gets to \$150 sooner rather than later.
- Start your own "Christmas Club!" Think about what you usually buy for Christmas and buy a couple of gift cards each week or month to tuck away until it's time to shop for your loved ones.
