April is Child Abuse Prevention Month...
Wear This Blue Ribbon To Show That You Care...
The Blue Ribbon Story
 In the spring of 1989, a Virginia grandmother began the blue ribbon campaign as a tribute to her grandson. The three-year-old died at the hands of his mother's abusive boyfriend. Since that time, concerned citizens all over the country have worn the blue ribbon as a symbol of the need to prevent child abuse and neglect.
 Award yourself this blue ribbon for all you do to support children and families.

Blue Ribbon Campaign to Prevent Child Abuse and Neglect

- Be a blue ribbon parent.**
Show your children that you love them. Really listen... with all your attention. Spend time with your children... talk to them, play with them, plan family events.
- Be a blue ribbon family.**
Spend time together. Respect one another. Create family traditions... to help everyone feel connected.
- Be a blue ribbon kid.**
Be kind. Solve problems with brainpower... not fists, hurtful words or weapons. Help others... be a friend to someone in need.
- Make yours a blue ribbon community.**
Help parents you know. Learn how to prevent child abuse and neglect. Volunteer... to help a child or a family.

Balloon Release...

Thank you...Martin Signs!

This "Little Flower" in the midst of the mountains,
is a sign of God's love, reaching out to others.
May we have eyes to see those who are invisible and excluded,
Healing hands to touch their lives with love,
Open arms to reach out and include them,
And in the process heal ourselves.

Thank you...Martin Signs!
