Summer Intensives

Come enjoy some INTENSE dancing! Summer Intensives are 3 day workshops where you take 3 hours of classes including ballet, jazz, hip hop and contemporary. These workshops will focus intensely on technique, choreography, and performance skills. On the final day dancers will be invited to perform at the Intensive Showcase where the dancers perform for their parents and friends their fun choreography pieces and show off how much they have learned and improved. Prizes will be given for the most improvement and hardest workers. This year we will have some guest teachers at our intensives! This will be a great opportunity for the dancers to learn from a variety of instructors! All competition dancers must attend one intensive. The cost is \$60.00 for one intensive or \$100.00 for both.
