

Love In Action!

For God So Loved The World, He Gave...

Jesus, the manifestation of love in the flesh; is God's Son. He made Himself of no reputation in order to prove God's love for us. He did not think it was robbery; being equal to God to come down to our level, to show us how to love. What love! Because of that God has given Him a name that is above every name. Name is another word for authority. Jesus has *authority over every authority; in heaven, on earth, and under the earth.*¹

God wants us to be like Jesus by becoming His sons and daughters. In order to receive son-ship from God, we must receive the spirit in Jesus Christ. When we receive His spirit, we are

¹ King James Bible, Philipians 2:6-9

automatically adopted; we have a right to call God,
Daddy.

The same spirit that operates in Jesus, the
spirit of love, and of power, is ours simply for the

How would you feel if someone says to you, "I love you, but I do not accept your son?"

asking. Jesus was victorious in every area of life; even in death, he dominated. God's love for us is manifested in the person of Jesus; who came to earth so that we might have life and have it more abundantly. He came to show us the way; and return us to God, which is our rightful place.

Submit yourself to love by entering into God's "*witness protection program.*" Regardless of what your experience is or has been; God's love power is able to transform you, giving you a new identity. To accept Jesus means to accept the love that God has for you. How would you feel if

someone says to you, “*I love you, but I do not love or accept your son?*” Through our acceptance of Jesus, we can be delivered from any *bondage, fear, or lack* that we face. Nothing you are contending with is too great for God to handle. Try Him.

As we have all experienced recently, nothing is certain; not the government nor the economy. One thing that has never changed is God, and His love for us. He wants to empower us to have success in every facet of life. He wants us to live healthy and happy lives without any fear.

To accept Jesus is simple, you do it with a sincere heart and the words from your mouth. Are you ready to be *victorious* in your life, are you ready to be *more than average*, are you ready to *excel, achieve, and conquer?* Are you ready to

really love? If so, you are ready to enter into sonship with God. Say the following out loud:

God, I believe that Jesus is your Son; whom you sent to earth to deliver me from my sins. He endured the cross, died, and was resurrected so that I may live. I now confess all my sins, and I ask your forgiveness. Jesus, please come into my heart, to live, and make me whole. I thank you right now, and I receive you free gift of love and salvation.

Congratulations on making the best decision of your life! Once you have prayed the prayer, be assured that God heard you and His Spirit, the same spirit that is in Jesus, has come to live inside you, from now until forever. It is vital that you spend time reading and studying God's Word. You should also find a church that offers sound teaching based on the Bible.

We would *love* to hear from you about your decision to accept Jesus Christ into your heart.

your testimony or comments about this book.

God loves you and so do I.

May the peace of God, which passes all
understanding, keep your heart and your mind.

I LOVE YOU, MY CHILD

I love you, My Child
even though you don't know me well.

I'm always at your side
you can feel me, I can tell.

I chose you, My Child
Before I made anything else
You're always on my mind
In my presence you will dwell.

I made you, My Child
wonderfully, fearfully, uncommonly so
you have an unction for all things
my Spirit of Truth you will know.

I've empowered you, My Child
with spiritual blessings for all things
I've kept nothing good from you
so reign in life as a priest and a king.

You've called Me, My Child
at different times in your life
Your voice has pierced my heart
From early morning to darkest midnight.

Trust Me, My Child
I know at times it will be hard
but if you let go, and let me
I'll maintain your right and your cause.

Don't forget Me, My Child
when you think you've arrived
that is what Lucifer did
and now he's the father of lies.

I love you, My Child
and I proved it to you
I sent you the best that I had
And with Him, you can't lose!
