

Dear Choir and Showchoir Parents,

We would like to have a garage sale to raise funds for items that are not in Ms. Kensek's school budget and there is a need to purchase those items now. We would like to have the garage sale the weekend of the Tolono town wide garage sales, September 14th and 15th. This sale would be open Friday evening, the 14th and then Saturday the 15th. Times are 4p-7p on Friday evening and 8a-2p on Saturday.

We ask that you donate anything that might sell at a garage sale. We will accept used, gently worn clothes of all sizes and both genders. No clothing with tears/holes/broken zippers, etc. Working appliances, clean furniture, craft items. Basically anything! In an effort to make this sale less stressful, we ask that you price your items at reasonable prices. This will be a huge help for those who will organize the items prior to the sale.

Items can be dropped off at Maggie Grimm's home. The address is 616 N Calhoun in Tolono. Items can be left on the front porch or delivered to the garage that sits behind the house facing River Road. You can also contact Maggie at 530-1496 to arrange drop off.

Let's make this a successful sale!
