2014-15 Highlights

- VA 6A State Tournament 5th
- Northern Region Tournament Champions
- Conference 8 Champions

Medal Outlook:

Trevor Mello is a returning medalist and will be a favorite to hit the podium. **Brandon Whittenberg** will be seeded in a wide open weight class. **River Curtis** is a serious medal threat and looks to make a splash in his first ETR appearance at a very deep weight. **Ray Bermot** just missed the stand in 2015 and will again threaten for a medal. **Zac Feight** could surprise in his first trip to ETR. All the Battlefield entrants are quality wrestlers and it would not surprise to see any on the podium. Prediction: **2-3 medals**

- Battlefield is a partial team entry.
