Message Year 9 (2013)

The Mayan's ended their calendar in 2012 because they knew it would be replaced by a new calendar: The 'Custodian-Guardian Kalender!

Water will again play a vital role this year. Fire underwater. An under sea volcano will erupt. There will be oil, fire & water. The melting North & South Pole ice will unbalance the earth's axis which will not be noticed until next year. Mediterranean will be in the news. North-Sea shoreline will flood. Plenty of Scandals.

'Blair Tony (UK), Bush George (US) & Howard John (AU)' from the Coalition of the Willingly Evil are Criminals that need prosecuting: MS/R7! They have executive responsibility for the kidnapping, rape, torture & killing of children, women, men & live-stock. Destruction of homes, schools, workplaces & infrastructure. Plundering of homes & national treasures. Millions of Refugees. **1GOD** wants accountability. So does Humankind.

Executions (*Abortion, Assassination, Death-Penalty*) are Anti-God, a Crime! Eg. Barack Obama (US. Assassin, invader, occupier warlord) the planets most active terrorist sent his 'CIA-Drones' to terrorize, hurt & kill civilians (*children, mothers, fathers & elderly*) in 'Afghanistan, Iraq, Libya, Pakistan, Somalia, Yemen,... Obama needs prosecuting: MS/R7!

Note! Invaders are always 'War-Criminals' they are to be prosecuted: MS/R7

Listen to your Conscience: Nobody has the right to kill!

Threats to the Community, Families & Individuals need addressing !!! Eg. Violence, Profiteering, Addiction, Homosexuality... The main enticer of these threats is GlitZ-Media. It turns addicts, criminals, homosexuals & profiteers into celebrity roll models. GlitZ-Media needs to be censored (*delete, shred*) & prosecuted: MS/R3!

Violence in the home (*children, wife, husband, grandparents, pets*) is a crime: MS/R7!

Every means of violence was & is applied to the children of the world on all continents by Catholic-Education. These crimes were & are covered up by Catholic-clergy from priest to Pope. Cover-up was assisted by Catholics in government, judiciary & police! Catholic-Education is to be shut-down. Catholic-clergy from priest to Pope are prosecuted MS/R7. All Catholics in government, judiciary & police are replaced & prosecuted MS/R7. Parents that send their children to Catholic-Education are unfit to be parents.

Catholicism as a church is unacceptable. *Catholics in Government, Judiciary & Police are unacceptable.* They are a threat to the children of the World.

Children have a right to be protected from violence!

Israelites right to a State (*fiction*). Israelites have a right to live in Palestine, Lebanon & Jordan. Israelites political, religious & military leaders are to be prosecuted for 4000 years of Evil: MS/R7 *Israelites are integrated into*

Palestine, Lebanon & Jordan.

Arabian-oil becomes less important to England & US. Arab monarchs will be betrayed as was the Shah of Persia & Saddam of Iraq. **There will be much suffering in Arabia.**

Israelites have no right to a State !

1GOD has given us 1GOD-given Obligations (*community-duties*) completing these entitles a person to 1GOD given Privileges (*community-rights*).

1GOD wants us to passionately live by our beliefs & promises us an Afterlife.

1GOD has set us boundaries (*Failings*) & goals (*Virtues*) worth achieving.

Custodian-Guardian glossary:

Purpose of living is to gain Life-experiences to help the Soul complete its mission.

Cycle of Beginning & End & Recycling everything in the Physical-Universe has a beginning & eventual end with the left-over's being recycled.

Immortality ours are children. Souls eternity is as Angel in the Spiritual-Universe.

Threats to Human-life:

Air Pollution from burning '**Coal**' chokes us & also causes global warming.

Close Coal-mines seal them & prosecute coal-burners: MS/R7

GM-Crop because of the flow-on effect alters the whole Food-chain. It is a "Crime against Creation", "Threat to Humankind" & "Threat to the Eco-system, MS/R7

Consuming **Alcohol** leads to behavioral changes. Drunkenness (*alcoholism*) is the main cause of Accidents, Assaults, Rape, Vandalism.

Private Ownership is 'Selfish'. It is confiscated becoming community property. Profiteering, is stealing from Individuals & the community, is to be prosecuted: MS/R6

Peace is an abstract. **Violence** is the threat.
Stop, 'Violence', start at home!

1000's of years of Evil are coming to an end:
BE GOOD CAGE EVIL MS/R1-7

1GOD is waiting to here from YOU! Daily-Prayer

For the Glory of 1GOD & the Good of Humankind

1GOD will hold humankind accountable for **Elitism** (*Non-Government education, Olympics, Private healthcare, Universities*), **Greed** (*Freehold, Private ownership*), **Profiteering** (*Addictions, Credit, Copyright & Patents, Gambling, Shares, Land-lording*), **Wealth-Apartheid** (*Billionaires, Celebrities, Millionaires*), **Injustice** (*Plea-bargaining, Tax-Avoidance, Tax-deductible Donations, Unearned, Estate*), **Pollution** (*Coal, GM, U235*)

Solutions Must Be Non-Violent

1GOD will hold humankind accountable for **Violence** (*Abortion, Assault, Assassination, Cannibalism, Execution, Killing, Mutilation, Rape, Torture*)

A year of lots of water-damage: broken dams, drowning, flash-flooding, floods, heavy rains, shipping disasters', sewerage-overflow/leak, tsunami, ...

War-criminals 'Blair, Bush & Howard' (*coalition of the willingly Evil*) have not yet been prosecuted (*MS-R7*). They have executive responsibility for the kidnapping, rape, torture & killing of children, women, men & live-stock. Destruction of homes, schools, workplaces & infra-structure. Plundering of homes & national treasures. Millions of Refugees. **1GOD** wants accountability. So does Humankind.

1GOD held 'Norway' accountable for mocking 'Peace' (*nym6*). Giving 'Assassin Obama' a **Peace-Prize**, Norwegians found out what it feels like being on the receiving end of an assassination.

Barack Obama "Year 2012" most Evil man !!!

Obama (*invader, occupier warlord*) the most active terrorist sends his 'CIA-Drones' to terrorize, hurt & kill civilians (*children, mothers, fathers & elderly*) in 'Afghanistan, Iraq, Libya, Pakistan, Somalia, Yemen,... Obama's next war 'Horn of Africa'! He send his Kenyan & Ethiopian troops to invade Somalia, the CIA is terrorizing the civilians & inciting unrest... (*Reagan went into Africa as Eagle & left as panicked plucked Chicken*). Obama supports Israel's assassinations, war-crimes, genocide...

Obama is Anti Planet Earth! No asset stripping, prosecuting & caging of Polluters.

Obama is Pro-Wall-street! Profiteers, Loan-Sharks, Fraudsters, Speculators & Debt Collectors are laughing all the way to bank while evicting, foreclosing & not paying taxes. US bankers creed: 'Only the struggling pay taxes'

Obama's administration claim that homosexuality is a human-right. Is wrong & denigrating Human-Rights. Homosexuality is a sexual-disability a threat to Humankind which needs isolating & quarantining. Their mating habits are abnormal, disgusting & offending. Homosexual couples that handle children

need to be prosecuted for Child-molestation & Pedophilia. The same applies to trans-sexual.

Obama should be impeached & then prosecuted! Wall-street's white-collar criminals need to be asset-stripped & prosecuted, MS/R6 !

The deceitful English should be removed from the European-Union & kept out of the 'Euro' currency. This does not apply to the English European Colonies: Channel-Islands, Granada, Isle of Man, Northern-Ireland, Scotland & Wales. The City of London's white-collar criminals are to be asset-stripped & prosecuted, MS/R6 ! The English currency (*Pound*) is shunned.

People Power in Egypt has shown Tyrannies can be removed (*non-violent*) & held accountable. We urge all military to be on the side of People Power & replace tyrannical Government by freely multi-candidate elected Government & Head of State. The following countries need freeing: Bahrain, Belarus, Bhutan, Brunei, Chad, Cameroon, China, Cuba, Eritrea, Equatorial Guinea, Ethiopia, Fiji, Jordan, Kuwait, Morocco, Myanmar, North-Korea, Oman, Qatar, Saudi Arabia, Syria, Swaziland, Thailand, Turkmenistan, United Arab Emirates, Uzbekistan, Zimbabwe...

Air Pollution from burning '**Coal**' is the main threat to Humankind it chokes us & also causes global warming. Close Coal-mines seal them & prosecute coal-burners MS/R7.

Roman Catholic Pagan Cult (*Shun & prosecute from priest to Pope*) The cult calls itself '**Catholic** Church'. Male orientated treating women as 2nd class. Encourage laziness starting their week with a rest day which also upsets **1GOD** who wants people to work 1st & then rest.

Their worship entails **ritual cannibalistic** scarifies Human-blood & Human body-parts. Actually the blood is replaced with **alcohol** & the body-parts with cookies. Parents teach their children that a good Catholic drinks alcohol Catholic's are the main cause of Child-alcoholism & adult Alcohol-addiction. The Cult produces their own alcohol to supply clergy, monks, nuns & supporters habit.

Their greatest insult of **1GOD** is their celibacy, **1GOD** wants us to mate & multiply. Celibacy is unnatural behavior that attracts depraved & perverts. This is why the Catholics are the worlds largest Child-Abuse (*molestation & mistreatment, Pedophilia...*) Organization. Parents note keep your children clear of Catholic-clergy.

 Catholics believe in 'Hell', where they all go in their Afterlife. Some clergy cannot wait to go to Hell so they endeavour to create "**Hell on Earth**".

SHUN Catholicism a threat to Children & prosecute Catholic-clergy.

Consumerism needs to be reduced. **SAY NO to JUNK!!!**

Globalization, Greed & Profiteering have led to financial crises. **1GOD** send a message (*Pulverizing the Twin-tower World Trade Center*), Globalization Greed & Profiteering are immoral. 1GOD wants humankind to mate & multiply. Result, blessed population growth. This leads to food & resources shortages. **Solution: Space-colonization.**

1GOD wants Humankind to swarm into outer-space. Population growth is needed to fulfill humankind's destiny to colonize the Universe. Governments must curtail consumerism & use remaining resources for space-exploration & colonization.

Message Year 5 (2009)

2000 years ago **1GOD** send a message Greed & Profiteering is immoral, Evil & the worst are Money-lenders & Debt-collectors. This message was ignored. Greed & Profiteering, Money-lenders & Debt-collectors had gone Global. Their head-quarters the Twin-tower World Trade Center. 7 years ago **1GOD** send the same message plus a warning. Using fake religious people **1GOD's** hands guided the pulverization of this Center of Evil. Last year Greed & Profiteering, Money-lenders & Debt-collectors are in crisis.
