Ms. Graffam asked why the TTO had engaged an additional attorney/law firm in the D204 litigation. Trustee Dickman stated that this was not actually another attorney but that one of

the attorneys that had been working with the office since early in the litigation had moved to another firm. Therefore, the addition is simply to reflect the change in firm by this attorney. Ms. Finnegan asked how long the TTO planned to continue the lawsuit and how much in legal fees was the TTO going to spend on it. Treasurer Dickman discussed the status of the pending litigation and that the TTO stands ready to meet with D204 at any time to settle the matter.
