(A Chance & Lincoln Pup)

Hi, this is Cooper on the Bay, just a fantastic dog loves the water and his ball, but especially his family. We are so happy to have Cooper. When we walk he stays with us without a leash, when we bike he is right beside us, loves to ride in the car but especially loves the boat and to fetch and to be on the water. Anyone would love one of your dogs...so smart! Thank you, we are so grateful to you.
