

Leadership Report
Dawn Haberkorn, Chair
Christ the King, Cedar City

I hope everyone had a wonderful summer. It was a good time to rest and relax and enjoy some quality time with family and friends. Now that fall is upon us it's time to get back in the groove. And how wonderful to get in the groove with the wonderful women of DCCW. Here is my report for the September 16th, 2023, meeting.

In June of 2022 a change and was made to the Convention Guidelines about the permanent donation of \$500 to the bus transportation provider for the DCCW convention mass at the Cathedral. We also added the Cathedral permanently as one of the recipients of the Convention Mass collection. It was approved at the September 2022 DCCW meeting.

It was brought to the attention of the Leadership Commission in June 2023 that we inadvertently deleted the bus donation approval when the Bylaws Committee deleted the need get Cathedral donation approved each June (and made it a permanent mass collection recipient). The Bylaws Committee will fix this error with the next revision.

Respectfully submitted,
Dawn Haberkorn
