Dear Vice Mayor Martin,

It is with great respect and honor that I pen this letter as notice of our Union's full support in the upcoming election for the **City Council District 3/ Vice Mayoral** position. For many years now, you have remained steadfast in your support of this City's Police Department, and its Officers. Your steadfast commitment to the growth and safety of this city has never wavered, and we have grown to respect and trust you for your leadership, support and professionalism in working with all of us who protect and serve.

We are honored to align with you in your campaign and assist you in retaining your position as **Vice Mayor** and **City Councilwoman for District 3**.

Please feel free to contact me or any member of our board for any additional assistance you should need.

Thank you for your courage and support.
