Our Crazy Hat Spirit Day Winners

School Spirit

This week produced many opportunities to bring out school spirit as we had our first volleyball games and our first Spirit Day. Our students did an excellent job in putting together creative, crazy hats, and we enjoyed eating together with a

fun game that followed. Also, this week, we concluded our virtue study on respect. Our students learned many forms of practicing respect, and I encourage you to carry on these conversations with your children at home!

YEARBOOK PORTRAITS

We have scheduled yearbook portraits to occur on Monday and Tuesday, **September 18 and 19**. We are excited to have Mike and Joey

Boese with Peak Life Photography do our pictures again. All students should expect their yearbook photo to be taken on September 18.

The following day, September 19, will be a make-up day, and we will take the Tues/Thurs K4 class pictures on that day. Our school will provide all families with one free (wallet -size) yearbook picture, but additional copies may be purchased from Peak Life. We will soon be sending home order-form envelopes for yearbook pictures.

Please have middle-school students dress in Mass day attire for the photos.

VIRTUE OF THE WEEK:

Responsibility

Definition: Fulfilling one's duties; accepting the consequences of one's words and actions, intentional and unintentional.

Application: Accept responsibility for one's personal actions and decisions at home, school, or in personal relationships.

This week, our students enjoyed a special presentation from the Magic Circle Theater youth performers. This year was extra special as one of our former PJP2A students, Annabelle Ensor, was a star performer.

AFTER-SCHOOL CARE FOR BAND STUDENTS

We are offering a special after-school care rate for students who will be participating in the beginner band at 4:15 p.m. on Mondays and Wednesdays. A \$25 per month (per student) fee will cover the cost for having your child stay in the after-school club before band begins. This offer does not allow participation in the after-school club on other days or at other times. Students must be picked up after band and may not return to the club afterward.

Students who are regularly enrolled in our after-school club may disregard the above stipulations.

Crazy Hat Day Games

DINNER NIGHTS

Thank you to everyone who made it our to Horsefly Night!

Our next restaurant day will be at Chili's. They are sponsoring our school on Monday and Tuesday, **September 25 and 26**. If you eat at Chili's on either day and present the coupon (to be sent home this week), the school will receive a portion of your meal's proceeds.

DROP-OFF PROTOCOL

Thank you to everyone for following our drop-off protocol! As a reminder, please be sure that students are dropped off by the cones on the north end of the parking lot (the same as the pick up area). Please **do not drive or park in the concrete pad area** as this is where students are exiting and walking. Also, please try to avoid dropping students off by the front doors as this will congest our parking lot line.

Thank you for attending to these details! They are truly helping to make our drop off more efficient as our school has grown considerably.
