

Home Studios
We come to you!

Summer Adventures

Ages 4 to 12

How Does Home Studios Work?

We send a trained art instructor to a home (or business, daycare, etc.), which means you can either:

- host a class (We suggest you find 5 friends or neighbors to join you)
- find a friend who is willing to host, and join their class

Hosting a class is easy! Fill out this page and see "Reservation" section on the following page. Once your date is confirmed and your deposit is received, we will email you a flyer that you can distribute by print or email to your friends. Then just provide a room with a table. We will bring a plastic tablecloth and all supplies. Then we'll clean up after class so you can't tell we were there.

1. Choose a Theme

Using step-by-step demonstrations, participants are guided through fun and educational projects designed around the theme you choose. **Choose one from our Course Themes flyer.** We have over 30 to choose from, including a Vacation Bible School. If you want a summer theme, check out **Beach Buddies, Island Adventure, Under the Sea and Snorkel Adventure**. Most courses can be tailored for any age. If you request one that we think is not best suited for your age group, we will let you know and give you other suggestions.
