### Gaskets & Industrial Rubber

Die-Cut Parts & Gasket-Rubber & Sponge,  
All Types of Gasket Sheet,  
Cord & Tubing —Klinger®  
Non Asbestos Sheeting — Cork Rubber  
Flexible Graphite — Jointex® - TopChem®  
Metal & Spiral Wound Gaskets

### Custom Molded & Extruded Rubber

High Quality Custom Molded Parts & Extrusions  
Metal & Fabric Impregnated  
SBR — Neoprene (Chloroprene Polymer)  
EPDM (Ethylene Propylene) — Bune-N (Nitrile)  
Natural Rubber— Butyl — Silicone  
Fluorosilicone — Fluoroelastomer — Viton®  
FDA Rubber

### Engineered Plastics

UHMW-PE — Nylon or PTFE Sheets  
Rod & Rubes — Phenolic Laminates  
Friction Materials

Pultruded FRP for Electrical, Structural, &  
Corrosion Resistance Applications — High &  
Low Density

Polyethylene — Polymer Bearing Materials for  
Power Generations & Transportation

### Mechanical Seals

Single & Double Cartridge Seal — Split Seals  
Unbalanced Seals — External & Internal Shaft  
Mounted Seals — Seal Repair (all makes and  
models) — Bearing Isolators & Protection

### Custom Molded Urethane

Rollers — Gears & Sprockets — 3 Piece Stars  
Dead Blow Material — Split Wheels  
Clipper Rolls — Truck Bushings  
Bumpers & Stops

### Heat Resistant Products

Cloths — Tapes — Ropes — Sleeveings  
Boards — Papers — Mats — Ceramic Wools  
Fire Blankets & Curtains — Tadpole Tapes  
High Temp Seals — Wiper Blocks — Fiberglass  
Ceramic Fibers — Silica — Mica

### Compression Packing

Non Asbestos — Carbon Graphite — Kevlar®  
PTFE — Flax — Pulp Refiner Packing  
Slurry Packing — GFO®  
Mixer & Agitator Packing—Valve Packings

### Pumps, Pump Repair, & Composite Pump Parts
