October 1st, 2018

Dear Community Members,

The Andover Firefighters are pleased to announce they will be once again hosting the Andover Firefighters Santa Parade tradition. This event dates all the way back to the 1950's. We are extremely proud to be able to continue this event, known for it's welcome start to another holiday season. This year's event will take place on Sunday November 25th, with a scheduled start time of 1 P.M., utilizing our traditional downtown parade route.

Like any successful community event, it would not be possible without the generous support of the business community. The cost to host such an event easily reaches \$10,000. The majority of this is due to compensation of professional entertainment which pairs well with our volunteer participants. While the Firefighters Relief Association is the major sponsor of this event, we could not have such a large event without your help.

We host this event as one of the many ways our group gives back to the community we serve and protect. The laughter and smiling faces of the community seen along the parade route is the reason why we organize this event. Please consider helping to keep this event a part of Andover's tradition.

Any amount you can provide would be greatly appreciated. All sponsors receive recognition on our website, www.andoversantaparade.com Sponsors of \$250 or more also have the ability be to have featured logos on our website and printed flyers. We hope you have a safe and happy holiday season! If you have any questions or would like to participate in this year's event by entering a float, feel free to visit our website, email us at andoversantaparade@gmail.com or call our parade line: (978) 475-1281 Ext. 4002.

Thanks again!
