

!!!Electronic Temple Tidings!!!

We all enjoy reading the news and happenings in our own Temple Tidings.

However, these are tough economic times, as you all know.

The members of the Masonic Center Board are trying to cut the current budget deficit for the Temple Tidings.

We do not feel we can raise rates, so the only alternative is to try and lower expenses. The only expense is the cost of printing and postage. Each copy costs approximately 60 cents to print and mail.

Would you consider receiving an electronic copy of the Temple Tidings in lieu of a paper copy?

At the present time, we could do that by emailing you a pdf copy of the Temple Tidings, or providing a link to the Masonic Center web site where you could get the pdf copy of the Temple Tidings.

Please email me at [engelm@tds.net](mailto:engelm@tds.net) if you would agree to receive the Temple Tidings by email instead of a paper copy. Also indicate if you have a preference for an attached pdf or a link to the web site. You can simply say "YES" and "attach" or "link". Thanks for your help with our budget deficit.
