

Directions for PICK-UP

Thank you for helping everyone during the pick up of your child. Here are some guidelines that will help all of us because we are all interested in having a great experience for the camper. BSES pick-up guidelines apply to the camp.

Please allow for some extra time during pick-up. Patience will be necessary and patience beats frustration and stress every time.

1. Please stay in single file in the car line. We ask that you not pull up to form a second line because it creates confusion.
2. U turns are not allowed. Please follow the flow of traffic.
3. You can park your car and come in to gather your child(ren). We ask that you do not leave your car unattended in the car lane. Park in a parking spot and come in. We will not allow campers to cross the car lane and find you at your car in a parking spot; you must come in to get them.

Thank you again for all you do for your children and for selecting **Garnet Valley Sports Camps** this summer.
