★Southern Charm's Homemade Caramel Bread Pudding \$8

A Southern Charm Original made from our biscuits and smothered in caramel sauce, topped with vanilla ice cream, and sprinkled with cinnamon and sugar. The ultimate comfort dessert.

Fun Fact: Bread pudding is a dish with very old roots. It evolved as a use for stale bread. Cooks from many cultures throughout history have been loath to waste stale bread, so they invented many dishes, both savory and sweet, that utilized it. Food historians trace the history of bread pudding to the early 11th and 12th centuries, as frugal cooks looked for ways to use stale, leftover bread instead of letting it go to waste. While bread pudding is still a way to use up leftover bread, it has gained a reputation as a comfort food and is a featured dessert item in trendy establishments, having shed its humble roots.
