

MIDE Products Fence Hooks Helps Local DAV with Donation

MIDE Products recently contributed a gift basket, filled with products that they manufacture, to the Department of Indiana DAV Auxiliary. The donated items will be part of a fundraiser for the 2013 Women's Veterans and Servicewomen Retreat.

Elkhart, IN ([PRWEB](#)) February 12, 2013 -- In addition to supporting the Elkhart community by making a vast majority of its purchases from local companies, [MIDE Products](#) is also making efforts to help local charitable organizations. The most recent was a donation of items from their product line to help raise funds for the 2013 Women's Veterans and Servicewomen Retreat. "It's nice to be able to give a little back to the community where I have lived my entire life" stated Debbie Rhoda, Vice President of MIDE Products.

The goal of the retreat, held at the Swan Lake Resort in Plymouth, IN on April 5-7, is to honor the women that have served or are currently serving and let them know how much they are appreciated for their sacrifice. Female Veterans are subject to special issues, such as Military Sexual Trauma, Sexual Harassment, Post Traumatic Stress Disorder, Injuries from deployments and other issues that directly and only affect female servicewomen and female veterans. During the retreat, the attendees will be informed of programs and information that directly affects them and will be treated to several types of spa treatments, dinner and an elegant 2 night stay at a four star resort.
