

SIGNS & MARKINGS TECHNICIAN II

Public Works

The Town of Castle Rock has an outstanding opportunity for a Signs & Markings Technician II in the Public Works department. This is skilled and semi-skilled lead work in the installation, repair and maintenance of traffic control devices. Work involves the design and fabrication of Town street signs and markings. Performs duties in a manner consistent with the stated values of the organization.

Qualifications generally include a High School diploma or GED equivalent; with three (3) years of field experience with traffic control devices is required; Level II Signs & Markings certification through I.M.S.A. is required (or ability to obtain within one year); American Traffic Safety Services Association (ATSSA) Traffic Control Technician (or the ability to obtain within one year) knowledge of the MUTCD manual is required; or any equivalent combination. Must possess a current and valid Class B Commercial driver's license or be able to obtain within thirty (30) days from date of hire. Must satisfactorily complete a driving record check and criminal background check prior to commencing employment.

This position is part of the Town's snow removal program. Will have scheduled on-call responsibilities through the winter months to remove snow using a 4-wheel drive pickup and/or heavy equipment. Snow removal shifts are typically 12 hours.

We value teamwork, quality communication and work life balance. We strive to provide exceptional public service to our customers and encourage creativity and innovation. Hiring range: \$22.03-\$25.89/hr., DOQ/E, plus an excellent benefits package including health, dental, and vision insurance, retirement, paid leave and a wellness program. Apply online at www.crgov.com/jobs #SMTII2019-01. **Position closes March 21, 2019.**
