INTRODUCTION

The laws that govern Freemasonry may be divided in several ways; but the divisions most important to our present purposes are two: First, that into the Unwritten Law and the Written Law; second, that into the Changeable Law and the Unchangeable Law.

The term "unwritten" does not imply that a law has not been reduced to writing, or that it may not be so reduced; it only implies that it does not owe its authority to the fact of its enactment in writing. The term is applied to all those time-honored customs and usages known to have existed among Masons prior to the organization of the Grand Lodge of England in 1717. Laws which can be shown to have originated, whether by express enactment or through a new usage, subsequent to 1717 are called "written laws." They are all local in their origin, although some of them have been almost universally adopted.

Of the second division of Masonic laws, into the Unchangeable and the Changeable, it may suffice to say that there are certain laws of the Masonic institution which it is not in the power of any man or body of men to change. These are called Landmarks, and they all existed prior to 1717. They owe their unchangeableness largely to the fact that without them Masonry would lose its identity, become something different and cease to exist as Masonry.

All Masonic laws except the Landmarks, whether unwritten or written, may be changed, either by evolution or by express legislation by proper Masonic authority.

THE WRITTEN LAWS

CONSTITUTION

The Constitution of the Grand Lodge of Idaho is the fundamental law. It is intended to be permanent, and supplies the standards to which all details of organization and administration must conform.

It may be changed only in accordance with Article VI of the Constitution.

BY-LAWS

The By-Laws differ from the Constitution only in that they relate more to the details of organization and administration, and are intended to be less permanent and more easily changed.

They may be changed only in accordance with Article XXXIV of the By-Laws.

REGULATIONS

The regulations are of less fundamental importance than the Constitution and By-Laws. They relate mostly to details of organization and administration, and are of less permanence and more readily changed.

They may be changed only in accordance with ARTICLE XXXIII, Section 3308 of the By-Laws. (1962)

GRAND MASTER'S DECISIONS

Grand Master's Decisions do not have the effect of written law. The Grand Master is an executive officer. He also has certain judicial authority; but he has no legislative power. His decisions are made in the discharge of executive or judicial duties, and they are his interpretation of existing laws. They are binding in particular cases, and when approved by the Grand Lodge they are final as to those cases. They are precedents entitled to weight in determining future cases, but they are not legal enactments, and may be disregarded by a future Grand Master if in his judgment it should be done.

Section 1412, **Plural Membership, How Acquired.** A Master Mason desiring to affiliate as a Plural Member with a Lodge in this Grand Jurisdiction, shall first obtain Certificates (or letters) of Good Standing from the Lodges to which he already belongs, and shall file said Certificates or letters, and a petition for Plural Membership, with the Secretary of the Lodge to which he desires to affiliate. The petition shall show the Lodge names, numbers, and Grand Jurisdictions of which he is already a member, and that he holds no other membership than that listed.

If he previously held Plural Membership in any other Lodges, he shall state the name and number of such Lodges and the manner in which his membership was terminated therein.

If his memberships are held in Lodges outside this Grand Jurisdiction, the Master and Secretary of the Lodges petitioned shall verify whether or not the Grand Jurisdictions in which the petitioner already holds membership permits membership in two or more Lodges at the same time. If such verification is later found to be in error, the Plural Membership in the Lodge petitioned shall be immediately void.

If such Plural Membership is not permitted in the other Jurisdictions, the Lodge shall return the petition, and any fees collected, to the petitioner.

If the other Grand Jurisdiction permits membership in two or more Lodges at the same time, the Lodge petitioned may receive the petition. (Reg. 47)

If the petitioner is eligible, the petition received, and the petitioner later elected, the Secretary of the electing

Lodge shall immediately notify the other Lodges in which membership is held (as shown on the applicant's petition) by certified mail. A copy of such notification shall also be simultaneously forwarded to the Grand Secretary of this Grand Jurisdiction. (Revised, Sept. 1995)

Section 1413. **Plural Membership, Reinstatement.** Any member holding Plural Membership at the time of having his membership involuntarily severed, who later desires to reinstate himself to good standing, must reinstate through the Lodge which originally terminated his membership. The other Lodges shall be notified of his reinstatement by the Lodge secretary. Reinstatement in the Lodge that originally terminated his membership shall automatically reinstate him in the other Lodges so far as this Grand Jurisdiction is concerned. (Revised Sept. 1995)

Section 1414. **Termination of Plural Membership.**

1. **Involuntary Termination.** Involuntary loss of membership in any Lodge shall constitute the loss of membership in all Lodges, insofar as the authority of this Grand Jurisdiction is concerned; and no certificate of any kind shall be issued. Any Lodge imposing such a penalty shall at once notify the other Lodges in which membership is held and shall notify the Grand Secretary of this Grand Jurisdiction. If the member terminated belongs to Lodges in other Grand Jurisdictions, those Grand Jurisdictions shall be notified by certified mail by the Lodge Secretary and the reason for termination given.
2. **Voluntary Termination.** If a member holding Plural Membership voluntarily withdraws from membership in a Lodge in this Grand Jurisdiction,

he shall be issued a Certificate of Withdrawal instead of a Demit. A Certificate of Withdrawal is similar to a Demit except it bears upon its face in bold red type the statement he is still a member of another Lodge, the name, number and location of the Lodges shall be shown. His other Lodges shall be notified by certified mail by the Lodge Secretary. (Revised Sept. 1995)

Section 1415. **Record of Plural Members.** The Grand Secretary shall keep a record of all Brothers holding Plural Membership and shall provide secretaries of constituent Lodges with proper blanks to cover the reporting of such members. (Revised Sept. 1995)

Section 1416. **Voluntary Prepaid Life Membership.** (Optional) (See Section 1417 for transmittal of funds.) (Revised Sept. 1980)

A Master Mason may *voluntarily elect* to become *exempt* from paying annual Dues to his Lodge by purchasing a Prepaid Life Membership; and is *eligible* to make such purchase after he completes the third degree proficiency, is in good standing in his Lodge, and holds a *current* Dues Card. (*A Mason may visit with a Dues Card for the previous year, but a Current Dues Card is one for the year in which he purchases a Prepaid Life Membership.*)

A Lodge chartered to confer the Masonic Degrees may grant Prepaid Life Membership, or a Memorial, after receipt of a sufficient-single-payment, or after receipt and accrual of sufficient-installment-payments.

The purchase funds for Prepaid Life Membership are not refundable, and the purchase funds or the revenue derived from their investment are not transferable to any other Grand Jurisdiction under any circumstances.

1. **(Purchase)** An eligible Master Mason may purchase a Prepaid Life Membership by remitting a single-payment; or if he desires to purchase a Prepaid Life Membership by installment-payments he shall submit a written request or application to his Lodge, and the Lodge shall arrange a policy allowing for such installment-payments.

A Master Mason *making installment payments* shall also continue to pay his Dues annually (*thereby **maintaining** a current Dues Card*) until the cost of his Prepaid Life Membership is paid in full.

2. **(Price)** The single-payment-purchase-price for a Prepaid Life Membership shall be at least twenty-one years annual Dues that are in effect on the date of purchase, but not less than \$700.00. This amount shall be adjusted annually in March of each year based upon the preceding year's inflation. (Revised Sept. 2006)

Since a Lodge may amend its annual Dues during any period of installment-payments, the installment-payment purchase-price shall be at least twenty-one years annual Dues that are in effect on the date the final payment is paid, but never less than minimum described in the preceding paragraph. (Revised Sept. 2006)

The *voluntary addition* of funds to a Prepaid Life Membership, or to a Memorial, may be added at the time of purchase, or on one or more later dates.

3. **(Memorial)** Provided a deceased Brother was in good standing at the time of his death, a perpetual contributing membership (or Memorial) in his memory may be purchased by a Lodge, another Order, by one or more individuals or by any combination thereof. The purchase price, is subject to

the same requirements and provisions as those governing Prepaid Life Membership.(Rev. 9/2006)

4. **(Transfer)** A Prepaid Life Member may transfer by affiliating with any Lodge of his choice within this Grand Jurisdiction, but if such a transfer requires additional funds (*added to the original funds paid*) to equal twenty-one years annual Dues of the Lodge to which he desires to transfer, the required additional funds shall be remitted with his petition for affiliation; *provided however*, that if such transfer is *not by voluntary choice*, and is *required* because of the surrender, revocation, arrest, or annulment of the Charter of his previous Lodge, each Prepaid Life Member of an extinct Lodge must petition some other Lodge within six months. Since his previous Lodge is extinct such member is forced to petition some other Lodge, and therefore the Lodge he petitions may, by majority vote, elect to remit a part or all of any additional funds if such payment would create a hardship for such petitioner.

If elected, the Lodge shall transmit any funds received in accordance with Section 1417 of these By-Laws, and the original funds and any added funds paid shall be transferred and credited to the Lodge with which he affiliates.

If rejected, any funds received with the petition for affiliation shall be refunded to the petitioner.

In case of a consolidation or merger of Lodges, a transfer is not involved, and all Prepaid Life Members become members of the consolidated or merged Lodge without any added funds for Prepaid Life Members being required.

5. **(Perpetual Earnings)** All funds received under the provisions of this Section shall be invested by the Trustees of the Grand Lodge Relief Fund, as described in Section 503 Investments and Section 504 Trustees.

Should a Prepaid Life Member become suspended or expelled, allow an Involuntary Termination of his Plural Membership, attains the status of Fifty Year Mason, *or at his death*, investment returns from the funds remitted for his Prepaid Life Membership shall be accredited to the last Lodge in which his Prepaid Life Membership was held, in a manner as described in Section 1417 (5) Dues of Prepaid Life Members. (Revised Sept. 2006)

6. **(Reinstatement)** Should the rights and privileges of a Prepaid Life Member be lost by Demit, suspension or expulsion, or by Involuntary Termination of Plural Membership, such membership may be regained as follows:

A Prepaid Life Member who Demits from Freemasonry may at any time present a petition for affiliation to his former Lodge or to any other Lodge in this Grand Jurisdiction; but if fees (funds) are required (*in addition to the original funds paid*) to equal twenty-one years current annual Dues of the Lodge he petitions, but no less than the amount described in Section 1416, paragraph 2 (Price) above, he shall remit such additional funds with his petition for affiliation. If elected, the total funds paid for Prepaid Life Membership shall be credited to the Lodge with which he reinstates or affiliates. (Revised Sept. 2006)

If rejected, the funds remitted with the petition for

affiliation shall be refunded to the petitioner.

If Prepaid Life Membership is lost by suspension or expulsion, it may be regained by conforming with the provisions of Article XXXII of the Grand Lodge By-Laws.

A Prepaid Life Member who holds or obtains Plural Membership in another Lodge, thereby subjects both memberships to the requirements and provisions of Section 1414 of the Grand Lodge By-Laws. Involuntary Termination of membership in either Lodge shall result in the loss of all rights and privileges in both Lodges, and this warning shall be printed on the back of the Dues Receipt (Card) for all Prepaid Life Members.

Prepaid Life Membership lost as the result of Involuntary Termination of Plural Membership may be regained by reinstatement in accordance with Section 1413 of the Grand Lodge By-Laws; after which, if Plural Membership is no longer desired, Voluntary Termination of such Plural Membership shall be accomplished in accordance with Section 1414, Paragraph 2, of the Grand Lodge By-Laws.

Section 1417. Administration, Investments, and Distributions of Earnings.

1. **(Executive Council on Investments and Distributions)** Funds received under the provisions of Section 1416 of these By-Laws shall be designated as the Masonic Prepaid Life Membership Account; and to maintain records, invest funds, adopt policy,

and distribute earnings thereof, in accordance with the provisions of these By-Laws, there shall be an Executive Council on Investments and Distributions consisting of five members, which shall hereinafter be referred to as the Executive Council.

Three Master Masons who hold a Prepaid Life Membership in a Lodge in this Grand Jurisdiction shall be nominated and elected by the delegates at each Annual Communication of the Grand Lodge. They shall serve without compensation for a term of one year or until their successors are elected, and if re-elected they may succeed themselves in office. The three so elected shall select from within their own number a Chairman and a Secretary who shall preside over and record the actions of the Executive Council.

The Grand Treasurer and Grand Secretary shall be the other two members of the Executive Council.

Three members of the Executive Council shall constitute a quorum, and no decisions shall be made except at a meeting called by the Chairman; provided however, that when necessary and in the absence of the Chairman, the Grand Treasurer may call and preside over a meeting of the Executive Council. Should a vacancy occur on the Executive Council, the remaining members shall declare such vacancy, after which the Grand Master shall appoint an eligible Master Mason to serve the unexpired term.

2. **(Ownership of Funds)** Each perpetual contributing membership (Memorial) in memory of a deceased Brother shall remain the perpetual property of the Lodge in which it is initially purchased. All

other funds received under the provisions of Section 1416 of these By-Laws become the property of the Lodge in which such membership is initially purchased; but may later become the property of some other Lodge within this Grand Jurisdiction to which a Prepaid Life Member may transfer. (See Section 1416, Paragraph 4)

Masonic Prepaid Life Membership funds shall not be co-mingled with any Grand Lodge Funds, but shall be kept apart as a permanent fund to be invested and kept intact, solely for the benefit of the participating Constituent Lodges.

3. **(Transmittal of Funds)** A Lodge shall deposit all funds received under Section 1416 of these By-Laws in its own bank account; and for purposes of *permanent investment only* shall immediately transmit a Lodge check (*in the total amount received*) to the Grand Secretary. The approved transmittal form (Application for Prepaid Life Membership) shall accompany the funds.
4. **(Duties of Grand Secretary and Grand Treasurer)** The Grand Secretary shall record the name of each purchasing Mason, the remitting Lodge, the amount of funds and the date received, issue the adopted Dues Card or the perpetual memorial, transmit the funds received to the *permanent custody* of the Grand Treasurer, and take his receipt therefore.

The Grand Treasurer shall maintain such books and records on the Masonic Prepaid Life Membership Account, and invest all funds as the Executive Council shall direct.

5. **(Dues of Prepaid Life Members)** The Annual

Dues of each member who purchases Masonic Prepaid Life Membership shall thereafter be the annual earnings derived from the investment of the (his) purchase funds, and his Lodge shall record such earnings as his annual Dues for the previous year.

Annual earnings received after the death of a Prepaid Life Member, or from perpetual contributing memberships (Memorials), are not Dues, and shall be recorded by the Lodge as other unrelated income.

6. **(Duties and Authority of Executive Council)** An eligible Master Mason may purchase a prepaid Life Membership at any time, and therefore the funds remitted are initially invested for a partial year and shall be designated as Partial Year Investments. Earnings on Partial Year Investments shall be calculated for that period (*from date of initial investment through the following December 31st*) at the interest rate at which they were initially invested.

After the initial partial year of investment, all funds credited to each Lodge shall be designated as Permanent Investments, and annual earnings thereon shall be calculated at the average net interest rate as earned by the total Permanent Investment Account.

In the selection of investments, the Executive Council may consult competent investment counsel, including the Board of Trustees of the Permanent Grand Lodge Relief Fund.

All Masonic Prepaid Life Membership Funds shall be invested in any form of securities that are in-

sured or guaranteed by the Government of the United States or any of its Agencies, and all investments shall be selected by majority decision of the Executive Council present.

Costs and expenses (*including necessary materials*) for the administration of the Masonic Prepaid Life Membership Account must be authorized by the Executive Council, and shall be paid from the earnings of the account before annual distribution of earnings are paid.

At the close of each calendar year the Executive Council shall audit the books and records of the Masonic Prepaid Life Membership Account; but if it appears necessary or prudent the Executive Council may direct an independent audit. Costs for an independent audit shall be paid from the earnings of the account before distributions of earnings are calculated and paid.

As promptly as possible after the first of January each year the Executive Council shall compute the total earnings received during the previous year from the Partial Year Investments, and the Permanent Investments (of the Masonic Prepaid Life Membership Account), authorize and deduct any administrative costs or expenses, calculate and verify the amount earned and due to each Constituent Lodge as its interest appears, require the Grand Treasurer and the Grand Secretary to make payments to each Lodge, and provide the report on distribution and audit to each Lodge and to the Grand Lodge Committee on Accounts and Finances. Such payout shall be computed on the following schedule:

If net earnings are greater than 7%, the payout will be 5% of the total fund balance as of the end of each calendar year;

If net earnings are equal to or greater than 5% but equal to or less than 7%, the payout will be 4% of the total fund balance as of the end of each calendar year;

If net earnings are less than 5%, the payout will be 3% of the total fund balance as of the end of each calendar year.

("The total fund balance as of the end of each calendar year" is defined as the sum total of the return on the investments received for the year plus all principal funds of the Partial Year Investments and the Permanent Investments.)

("Net earnings" is defined as the return on the investments less any administrative costs or expenses as provided for in this paragraph.)

The Executive Council shall determine the amount, and require bond, for the Grand Treasurer and Grand Secretary for the faithful performance of their duties. Cost of bond shall be paid from the earnings of the Account.

Constituent Lodges and the Executive Council shall comply with all the applicable requirements and provisions of Sections 1416 and 1417 of these By-Laws. The Executive Council shall prescribe the books and records to be kept by the Grand Treasurer, and shall resolve any inequities or questions not otherwise prescribed by these By-Laws.

Section 1418. Dues Cards for Prepaid Life Members.

2. Replacement of Dues Cards for Prepaid Life Members shall be as follows:
A new Dues Card shall be issued annually by the Grand Secretary for each Prepaid Member.
When the membership of a Prepaid Life Member

is transferred from one Lodge to another, the Dues Card shall be immediately returned to the Grand Secretary who shall re-issue same and indicate thereon the Lodge with which such member has affiliated.

Should the Dues Card of a Prepaid Life Member become lost or destroyed, the member shall declare such loss in a signed statement to the Grand Secretary which shall be countersigned by the Secretary of the Lodge to which the member belongs, after which the Grand Secretary shall immediately re-issue said Dues Card. (Adopted Sept. 1972)

Section 2004. **Petition for Degrees, Reception and Reference.** No Lodge shall receive a petition for the degrees except by unanimous consent of the members present. When so received it shall be referred by the Master to an investigating committee consisting of three members, appointed in open Lodge, who shall file their report thereon with the Secretary within a month, unless further time be granted. The Secretary shall not present said report to the Lodge before one month has elapsed after the reception of the petition. If it appears that the committee is not doing its duty in investigating or reporting, the Master should appoint others in place of any or all members of the committee, but such appointees shall be given sufficient time to make their investigation. The investigating committee shall ascertain and report the following facts in regard to the applicant and no other special questionnaire is permissible. (Note: See Regulation 68.)

14. State any other facts of value to the Lodge in arriving at a correct conclusion.

Section 2005. **Petition for Degrees, Must Ballot, Exception.** A petition for the degrees shall not be returned after it has been received and referred, but must go to ballot, unless it is found that the petitioner is ineligible. In that case it shall be returned to the petitioner, with the fee, without going to ballot, and such return shall not constitute a rejection. (Note: See Regulation 68.)

Section 2006. **Petition for Degrees, Ballot.** A month must have elapsed after the reception of a petition for the degrees before a ballot is taken thereon. A separate ballot shall be taken on each petition for the degrees and all members present who are entitled to vote must vote unless excused by unanimous consent. The ballot shall be strictly and inviolably secret, and must in all cases be unanimous in favor of the candidate, else he shall be declared rejected. On the first trial of the ballot, if one, and only one, negative vote appears, the Master shall immediately and before declaring the result, order a second trial of the ballot, which shall in all cases be final. The result of the ballot cannot be set aside after it has been declared by the Master, even though a mistake has been made in the declaration, unless corrected by him at the same communication. All balloting on petitions shall be done at stated communications.

Section 2007. **Rejection for Degrees.** One whose petition for the degrees has been rejected, may again petition the same Lodge after six months from the date of rejection, regardless of his residence. No other Lodge shall receive his petition for degrees, until five (5) years have elapsed since his last rejection, except on waiver from the rejecting Lodge.

Section 2008. **Objection After Ballot.** One ballot on a petition for the degrees, if clear, entitles the petitioner to receive the three degrees of Masonry, except:

1. At any time before the candidate is initiated any member of the Lodge who is entitled to vote may object to his initiation, in the Lodge or privately to the Master, and such objection shall have the same effect as if rejected at the time of ballot;
2. After a candidate has been initiated or passed, his advancement can be stopped only by sentence after trial. If a member of the Lodge objects to the advancement of a candidate after his initiation or passing, the objecting brother shall be given an opportunity to file charges against the candidate before he is advanced. If the Master, after consulting with the Wardens, sustains the sufficiency and regularity of the charges, the candidate shall not be advanced until after trial thereon and acquittal unless the charges are withdrawn.

Section 2009. **Petitions of Entered Apprentices or Fellowcrafts.** A Lodge may receive the petition of an Entered Apprentice or a Fellowcraft for the degrees that have not been conferred on him when accompanied by a waiver of jurisdiction, or its equivalent, from the Lodge that elected him. The petition shall be similar and subject to all the requirements of reception, reference, investigation, ballot

and objection that apply to original petitions for the degrees.

Section 2010. **Affiliation.** A petition for affiliation shall be in writing and signed by the petitioner with his full name. It shall state his age, occupation and place of residence and shall show whether or not he is applying for Plural Membership. It shall be accompanied by a Demit or its equivalent, or a satisfactory explanation in writing why it cannot be obtained. It may be received regardless of where the petitioner resides, but he must satisfy the usual requirements of reception, reference and balloting that apply to petitions for the degrees. (Revised Sept. 1995) (See Investigation Form.)

Section 2011. **Rejection for Affiliation.** A brother's Masonic standing is not affected by the rejection of his petition for affiliation. He may at pleasure again petition the same or any other Lodge.

Section 2012. **Reinstatement, N.P.D.** A petition for reinstatement of one who has been dropped from the roll for nonpayment of dues shall be in writing, signed by the petitioner, giving his occupation and place of residence and shall be accompanied by the sum owed when he was dropped unless it has been remitted. It may be received unless three (3) members of the Lodge object, and it shall be referred, investigation made, and the ballot spread as in the case of a petition for the degrees, except that three (3) black balls shall be necessary to reject the applicant. If rejected, he may petition again at any time.

Section 2013. **Balloting Not to be Postponed.** Balloting on petitions affecting Masonic standing shall not be postponed. The ballot shall be taken on each petition immediately after the report of the investigating committee is read, and when commenced must be completed and the result declared.

Section 2014. **Secrecy of Ballot.** The ballot shall be strictly and inviolably secret. To discuss or make known one's own ballot or what purports to be the ballot of another is a gross Masonic offense.

Section 2015. **Advancement After Two Years.** An Entered Apprentice or Fellowcraft who fails to prepare and present himself for advancement within two years shall be dropped from the roll. If he desires to advance thereafter in the *same* Lodge, he shall make written petition to his Lodge for reinstatement to advance. His petition shall be received unless three (3) members of the Lodge object, and it shall be referred, investigated, and balloted on in the same manner as original petitions for the degrees, except that three (3) black-balls shall be necessary for rejection. If rejected, he may again petition for advancement at any time.

In case an Entered Apprentice or Fellowcraft desires to advance in *some other* Lodge, he may petition any Lodge of his choice for the remaining degree or degrees, but his fees for the remaining degree or degrees shall accompany his petition. Before declaring such a petition received (Regulation 47), the Lodge he petitions shall request and receive a Waiver of Jurisdiction from the previous Lodge which holds jurisdiction over the petitioner (Section 2023). When accompanied by the fees and a Waiver, a Lodge may receive a petition for the remaining degree or degrees, and such petition shall be referred, investigated, and balloted on in the same manner as original petitions for the degrees. If rejected, the petitioner may again petition for advancement at anytime. (Revised Sept. 1979). (Note: See Section 2004)

Section 2016. **Cases Involving Masonic Standing.** In all cases involving Masonic standing, the petition may be received, unless there are as many objections made as

are required for rejection in the case involved. In balloting in such cases, if only the least number of blackballs required for rejection appear, a second ballot shall be ordered which shall be final.

Section 2017. **No Discussion of Petition or Ballot.** No discussion upon the merits of a petition or the result of a ballot shall be allowed in the Lodge.

Section 2018. **Degrees, Limits on Conferring.** No Lodge shall confer more than one degree upon the same candidate at one communication; the first section of the first and second degrees, or the first and second sections of the third degree, on more than one candidate at the same time.

Section 2019. **Degree Proficiency.** No Lodge shall advance a candidate to the next degree until he has passed a satisfactory examination in the proficiency of the preceding degree.

Once he has passed the degree proficiency requirements of the foreign Grand Jurisdiction, the Grand Lodge of Idaho will recognize him as proficient in the degree. (Revised Sept. 1998)

Section 2020. **Proficiency in Third Degree.** Within six months after the third degree shall have been conferred on a brother, he shall pass a satisfactory examination in the lecture of that degree as specified in Section 2019 of these By-Laws. When a Lodge or appointed committee accepts his proficiency as satisfactory, the brother is entitled to a Master Mason's Certificate.

If a brother fails to complete his proficiency as required, he shall be dropped from the roll of the Lodge and shall be restored to membership at any time within two years after the date of his third degree by completing his proficiency.

If he desires to be restored to membership after being dropped from the roll, a brother must request coaching to prepare for his proficiency, and the Master shall appoint a coach; or if the brother has moved from the jurisdiction of the Lodge, the Master shall authorize coaching by a more convenient Lodge. He remains the material or becomes a member of the electing Lodge and the fees belong to that Lodge.

Section 2022. **Degrees by Courtesy, Foreign Jurisdiction.** Degrees may be conferred for Lodges in other Grand Jurisdictions on authority from the Grand Master.

Requests for the conferring of degrees in other Grand Jurisdictions shall be referred to the Grand Secretary for his verification of the regularity thereof.

The Lodge he petitions must request and receive a Waiver of Jurisdiction for him before declaring his petition received. (Regulation 47)

In case an Entered Apprentice or Fellowcraft has been dropped from the roll of his previous Lodge for failure to advance, and another Lodge requests a Waiver of Jurisdiction for him, such petitioner is not in good-standing in his previous Lodge but he does remain under the Jurisdiction of the Lodge which last elected him, and his last Lodge may grant a Waiver of Jurisdiction without requiring him

Section 3305. **Landmarks.** A landmark is a law or custom of the Fraternity that has existed "from a time whereof the memory of man runneth not to the contrary," and of such nature that it cannot be repealed or changed without making the Fraternity a fundamentally different institution.

Section 3306. **Constitution.** The Constitution is the basic written law in this Jurisdiction.

Section 3307. **By-Laws of the Grand Lodge.** The By-Laws are subordinate to the Constitution and set forth more definite and detailed directions of Masonic procedure.

Section 3308. **Regulations.** Regulations are administrative rules of less importance than the Constitution or By-Laws of the Grand Lodge, and with the exception of the vote required, they may be changed in the same manner as that prescribed for changing the By-Laws. (Revised Sept. 1969) (Note: See Article XXXIV.)

Section 3309. **Decisions and Rulings of Grand Masters.** Decisions and rulings made by the Grand Master shall be considered the correct interpretation of Masonic law and procedure on the particular question involved until the next Annual Communication of the, Grand Lodge. If approved by the Grand Lodge, they shall be deemed proper guidance and precedence in other similar cases. They shall not be construed as law or as alteration of laws, and they may be disregarded by a succeeding Grand Master. To become law, they must be adopted separate and apart from the adoption of a report approving the decision or ruling.

Section 3310. **Burial.** Masonic burial is a privilege, not an absolute right. It should be bestowed on Masons meeting the following qualifications at death, when requested by the family or close friends of the deceased, or when it is known that the Brother while living desired it. 1. **Advancement, Candidates of Extinct Lodges.** Entered Apprentices and Fellowcrafts of extinct Lodges may petition the Lodge within whose jurisdiction they reside, for the remaining degrees, without a waiver of jurisdiction. The petition shall take the same course as a petition of an Entered Apprentice or Fellowcraft accompanied by a waiver. If elected and raised they become members of the Lodge petitioned.
2. **Autobiographies of Grand Officers.** All Grand Officers shall file brief autobiographies with the Grand Secretary for preservation in the archives of the Grand Lodge.
3. **Avouchment.** A Mason does not have the right to vouch for the Masonic standing of anyone for admission into a Lodge by reason of having met him in another organization, even though Masonic membership is a prerequisite to admission to that organization. Examination of a brother except by a committee appointed for that purpose by proper authority does not justify avouchment.
4. **Ballot, Preparation and Display.** In the preparation and in the display of the ballot, the Senior Deacon shall present the ballot box first to the Junior Warden, then to the Senior Warden, and then to the Master, at their stations.
5. **Balloting Method.** The Master shall cast his ballot first and at his station. The Senior Deacon shall then present the ballot box to the Senior Warden and the Junior Warden at their respective stations for their ballots. He should then place it on the altar and the brethren should approach it in an orderly manner from the West and cast their ballots. It is imperative that the Master destroy the ballot immediately after the result is announced.

6. **Burial, Refusal.** Masonic burial should be refused when it is known that the deceased was unworthy.
7. **Burial Service, Where Given.** A Lodge may attend the funeral service of a deceased brother in a church, chapel or home, and while the Masonic funeral services should generally be given at the grave, such parts as are appropriate may be given elsewhere when expedient.
8. **Certificates, Grand Lodge.** The Grand Secretary may issue Grand Lodge Certificates to any Master Mason in good standing in this Jurisdiction, upon proper application and payment of the fee of one dollar. The certificate shall certify, under seal, as to the standing of the applicant and the regularity of his Lodge, giving its name, number and location.
9. **Concordant Bodies, Degrees In.** No Mason, raised in Idaho after September 18, 1952, shall apply for or receive any Concordant Organization degree until he shall have passed a satisfactory examination in the lecture of the Master Mason Degree, in open Lodge or before a Committee. This Regulation shall not apply to Masons who are Master Masons in Good Standing in a Jurisdiction recognized by Idaho but not a member of an Idaho Constituent Lodge, or to Masons who have become a member of an Idaho Lodge by affiliation from another Grand Lodge Jurisdiction. This Regulation shall be printed on all forms of "Petition for Degrees. " (Revised Sept. 2005)
10. **Concordant and Appendant Orders. Recognition and Regulations.** The General Grand Royal Arch Chapter of the United States (General Chapter of Royal Arch Masons International), the General Grand Council of Royal and Select Masters of the United

States (General Grand Council of Cryptic Masons International), the Grand Encampment of Knights Templar of the United States (Grand Encampment of Knights Templar of the United States of America), the Supreme Councils of the Ancient and Accepted Scottish Rite for the Southern and Northern Jurisdictions of the United States, The Order of the Sword of Bunker Hill, and the Imperial Council of Ancient and Arabic Order of the Nobles of the Mystic Shrine of North America, and their Constituent Bodies, are recognized as Concordant Masonic Organizations to which Masons, who are in good standing in a recognized Ancient Craft Lodge, may belong.

Like organizations with which recognized Concordant Orders are in fraternal correspondence, and which are Masonic in character, are Appendant Orders which may be recognized if such recognition would not be adverse to the best interests of Freemasonry in this Jurisdiction. Recognition of Appendant Orders shall be granted only after approval by the Grand Lodge. No Mason within this Jurisdiction may join, attend, or remain present at, any unrecognized Order, nor may he become involved in Masonic intercourse with any member thereof. (Revised Sept. 1986)

All Concordant and Appendant Orders which require any Masonic membership prerequisite shall also require each of its members to remain in good standing in a recognized Ancient Craft Lodge; and the membership of any Mason who fails to maintain good standing in a recognized Ancient Craft Lodge shall be immediately terminated in all other Concordant or Appendant Orders. A presiding Officer of any Concordant or Appendant Order who fails to enforce these provisions may have charges filed against him in his own Lodge. (Revised Sept. 1979, 2006)

11. **Masonic Standing, Notice.** By use of the monthly report, the Secretary of each Lodge shall notify the Grand Secretary of all actions affecting any individuals Masonic standing. The Grand Secretary shall notify all Lodges by written monthly summary, when any Brother's Masonic standing changes, thereby prohibiting him from enjoying Masonic communication with his Brethren. With the exception of those dropped from the rolls for nonpayment of dues, which shall be reported once annually prior to December of each year. (Revised Sept. 2004)
12. **Conventions.** Conventions and local or sectional combinations for the purpose of affecting the legislation of the Grand Lodge are prohibited.
13. **Dedication of Halls.** No Hall shall be dedicated unless it is owned by a Lodge or other strictly Masonic organization and used for Masonic purposes.
14. **Degrees by Misrepresentation.** Any person receiving the degrees of Masonry by misrepresentation or false statement in his petition or otherwise, is subject to discipline therefore.
15. **Degrees, Conferring.** Degrees shall be conferred in a dignified and impressive manner. Nothing shall be done to detract from the solemnity of the work. The object is to impress upon the candidate the great moral principles of Freemasonry.
16. **Degrees for Foreign Jurisdictions.** In conferring degrees for a Lodge in a foreign Jurisdiction, the practice of that Jurisdiction should be followed as far as practicable, if not in serious conflict with our usage.
17. **Degrees Recognized.** This Grand Lodge recognizes no degrees of Ancient Craft Masonry except the

degrees of Entered Apprentice, Fellowcraft, and Master Mason, conferred in regular Lodges. (Revised Sept. 1979)

18. **Delinquent Members, Masonic Rights.** Being delinquent for dues does not deprive a member of any of the rights and privileges of membership until he has been dropped from the roll.
19. **Demit, Certificate of Withdrawal.**
 - (1) **Demit.** A "demit" is a certificate showing withdrawal from a Lodge of a member holding "Single status."
 - (2) **Certificate of Withdrawal.** A "certificate of withdrawal" is a document showing that a member holding Plural Membership has voluntarily severed his membership in one Lodge while retaining in the others.
20. **Demit, Date of.** A demit dates from the time it was granted by the Lodge, and membership in the Lodge ceases with that date. It may be used for affiliation regardless of its age.
21. **Demit, Dues Refunded.** When a demit is issued for a Brother whose dues are paid in advance, the unused portion of such dues shall be refunded to him. See Section 1404 (Revised Sept. 1975)
22. **Demit, Duplicate.** The Secretary may issue a duplicate demit for one that is lost; or he may issue an attested statement that a demit has been issued on a given date. Such a duplicate or statement may be used in lieu of the original demit.

24. **District Deputy Grand Master, Duties.** The District Deputy Grand Master shall visit each Lodge in his District as often as practical or necessary, assure that its Code and Digest and the Lodge By-Laws are posted and current, and examine all books, records, and financial conditions therein. Each Lodge shall fully cooperate with the District Deputy Grand Master and assist him in the performance of his duties.

He (the District Deputy) shall acquaint himself with the management and general conditions in each Lodge, give instructions and make corrections on ritualistic Work and Masonic Law, perform such other duties, and make such reports, as may be required of him by the Grand Master.

When considering the issuance of Certificates of Proficiency he shall acquire definite knowledge that the required proficiency has been attained, and he is the sole authority in his District to recommend the issuance of all Certificates of Proficiency for eligibility for election to office. He shall require each Lodge to elect and install officers who are lawfully qualified for their respective office in accordance with Sections 1601, 1602, and 1603 of these By-Laws.

When answering questions on Masonic Law he shall refer his replies to the Grand Master for confirmation. (Revised Sept. 1980)

appropriation set aside for that purpose, but no per diem shall be allowed.

He shall not recommend for appointment as Grand Representative of a Sister Grand Jurisdiction near this Grand Lodge other than a Master or a Past Master. When a Grand Representative of a Sister Grand Jurisdiction near this Grand Lodge fails to attend three consecutive Annual Communications, without good cause, the Grand Master should recommend the appointment of another.
58. **Rules of Order.** When consistent with our established Masonic usages, common parliamentary procedure shall be followed.

59. **Signing By-Laws.** Every member of a Lodge should sign its By-Laws. If it is impossible for a member to sign personally, he should authorize the Secretary to sign for him. Failure to sign the By-Laws, however, is not a bar to membership.
60. **Sponsoring.** No Lodge shall stand sponsor for, or assume control of, or responsibility for, any other organization, except as follows: A Lodge may sponsor a Chapter of the Order of DeMolay, provided, however, that in so doing it assumes no financial debts.

67. **Plural Membership.** This Grand lodge does permit plural membership. (Revised Sept. 1995)
68. **Physical Qualifications.** When a petition is declared received (Regulation 47), a Lodge must then make thorough investigation, and may safely decide on the physical fitness of any applicant when his maiming defect is of such minor character that he could acquire and communicate the knowledge of Masonry in a Masonic manner.

There must always be reasonable assurance that the petitioner will not later become a charge against the Lodge, and if investigation shows a more serious physical defect which would require *any variation* from the Masonic forms and ceremonies required of a candidate during the conferral of the degrees, the committee shall *report directly to the Master*.

To assure the eligibility of the petitioner, the Master shall:

- (1) grant the committee further time to report to the Lodge (Section 2004),
- (2) direct a copy of the report and a complete and clear description of the defect (or defects) to the Grand Master, and

may grant, or deny, the dispensation; and at the first Stated Communication after his reply is returned the Lodge shall proceed with action on the petition.

If dispensation is granted, the Master shall (1) read it in open Lodge, (2) present the report of the investigating committee, and (3) spread the ballot. *The dispensation merely allows action on the petition, and the Lodge assumes complete responsibility for the election or rejection of the petitioner.*

If dispensation is denied, the Master shall read the denial, declare the petitioner ineligible to receive the degrees, and direct the return of the petition and fee. Such return shall not constitute a rejection, and the petitioner shall be informed that he is merely ineligible. (Regulation 34) (Revised Sept. 1979)

GRAND LODGE OF IDAHO,

A.F. & A.M. FORM OF BALLOTING

The order, "Balloting," having been reached in the regular course of business the W.M. says, "Brother Senior Deacon., you will prepare the ballot." The S.D. places all white balls and black cubes in the proper compartment of the ballot box, being certain there is a sufficient supply of each to meet demands. (Note: it is better to use black cubes instead of black balls, to avoid possible error by members whose eyesight is not keen.)

The S.D. presents the ballot box to the J.W. (goes via north side of the altar), the S.W. and the W.M. in regular order, each of whom makes the proper inspection to satisfy himself the ballot is properly prepared. After inspection the W.M. makes the following announcement: "Brethren, we are now about to ballot on the petition of _____ for the Degrees of Masonry. (Or, "We are now about to ballot on the petition of Brother _____ for membership in the Lodge by affiliation.") The report of the committee is favorable. (Or, "unfavorable," as the case may be.) Remember that white balls elect, and the black cubes reject. Be careful of your ballot and vote for the good of Freemasonry." He then casts his ballot. The W.M. and Wardens shall salute on voting.

The S.D. then presents the ballot box to the S.W. and then the J.W. at their respective stations for their ballot. He should then place it on the left side of the altar and resume his place. As soon as the S.D. returns to his place, the brethren, starting with the Secretary in the southeast corner of the Lodge, shall proceed to vote, regardless of rank, approaching the altar from the west. All members shall salute on voting. As soon as all members on the

south side of the Lodge have voted, then the Treasurer if present, otherwise the S.D., shall proceed to vote, followed by all members on the north side, regardless of rank. The Tyler is called to the altar by order of the W.M. (provided of course that he is a member of the Lodge) informed of the name of the candidate and nature of the report of the committee. He then casts his ballot and retires. In balloting all members present who are entitled to vote must vote unless excused by unanimous consent.

The W.M. then inquires: "Have all members voted who are entitled to vote?" and pauses for a moment for reply. There being no response, the W.M. says: "All having voted, I declare the ballot closed." (Sounds gavel.) "Brother Senior Deacon, you will take charge of the ballot." The S.D. presents the ballot box to the J.W. and S. W. for inspection and proceeds to the station of the W.M.

On his arrival the W.M. says: "Brother Junior Warden, how is the ballot in the south?" The J.W. (salutes) replies: "Fair (or cloudy) in the south, Worshipful Master." The W.M. then says: "Brother Senior Warden, how is the ballot in the west?" The S.W. (salutes) replies: "Clear (or dark) in the west, Worshipful Master." The W.M. then inspects the ballot and if no black cubes appear says: "And bright, my brethren, in the east. I therefore declare _____ duly elected to receive the Degrees of Masonry in this Lodge." In announcing the result of the ballot, the reports of the three principal officers shall in all cases be "fair," "clear," and "bright," or "cloudy", "dark", and "black," as the case may be, except in the case of one black cube. Then the report from each officer shall be "doubtful." A second ballot shall then be called, and if one black cube still appears, the results shall then be reported as though more than one black cube had been cast. The second trial of the ballot shall in all cases

be final, and if one black cube again appears the Master shall say: "And black, my brethren, in the east. I therefore declare the petition of for the Degrees of Masonry in this Lodge to be duly rejected." The W.M. shall make this same announcement if more than one black cube appears on the first ballot, and no other ballot may be taken.

In case the petition is for affiliation the W.M. says: "And bright, my brethren in the east. I therefore declare Brother _____ to be duly elected to membership in this Lodge by affiliation." or, "And black, my brethren, in the east. I therefore declare the petition of Brother _____ for membership in this Lodge by affiliation to be duly rejected."

In case of balloting on a petition for reinstatement the same method shall be used as for Petition for Degrees, except that three black cubes shall be necessary for rejection. (If less than three black cubes appear in the ballot box the J.W. and S.W. shall report "Fair" and "Clear" respectively, and if three appear they shall report "Doubtful," and a second ballot shall be taken.)

The result of the ballot cannot be set aside after it has been declared by the Master, even though a mistake has been made in the declaration, unless corrected by him at the same communication. All balloting on petitions shall be done at stated communications. (See By-Laws Article XX)

Adopted by Grand Lodge, September 22, 1948.

RECEPTION OF GRAND MASTER AND OTHER DISTINGUISHED VISITORS

Introductions should be standard, but are not an exact Ritual. Lodges should comply with this form as closely as possible.

Introductions -- and Reception of Grand Master.

Any Bn (*Presiding Masters, Past Masters, Fifty-year Mason, Grand Officers of Concordant Orders, etc.*) the Master may wish to honor, are introduced first -- either on the sidelines, or at the Altar.

(Time can be saved by introducing these Bn on the sidelines.)

Basic Rules for Introductions:

1. When introducing "first-time" visitors -- use *CORRECT* name, the name and number of his Lodge and correct (state) jurisdiction.

2. G.L. officers (*including Past Elective Grand Lodge officers*) are introduced in groups (*by rank*). Any from other (state) jurisdictions are appropriately grouped (*according to rank*) along with our own G.L. officers.

3. Bn invited to the East (*after introduction*) are given Honors in East immediately after arrival there. If a Br is not being invited to the East, he is introduced at the Altar, given Honors there, and reseated among the Bn.

4. If a Br has more than one title, he is introduced in the group which accords him the highest Honors. (*Ex: a Past Grand Master who is also a Grand Lecturer, or a Grand Historian, would be introduced with the Past Grand Masters.*)

5. The Lodge is always *called up* for the introduction of G.L. officers. The three raps *** are given while the Sd is escorting a Br (or Bn) to the Altar.

6. As a Br is (or Bn are) being returned to side-lines (after introduction), the Master should seat the Lodge.

7. (*Time can be saved*) Between introductions, the Sd returns to his station only when it is convenient.

Sd makes introductions unless Master directs otherwise.

(The route of escort is on the square. As he approaches a Br to be escorted, Sd moves rod to left hand and places the Br on his right. When he has reseated a Br (or Bn) Sd returns rod to right hand.)

G.L. officers are received in the following order:

If there are any G.L. officers present from other (state) Jurisdictions, they must be included in the proper group -- and the Sd must use similar wording for their introduction - correct name, proper title, and (state) jurisdiction.

1. Dist. Dep. Grand Master(s) from other District(s) (*Hearty Welcome*) W.M. directs: "Visiting District Deputy Grand Masters will please rise. " *If any rise --* Master continues: "Brother Senior Deacon, you will escort (our Brother -- or -- these Brethren) to the Altar for introduction."

After escort to Altar, Sd states:

"Worshipful Master -- I have the honor of introducing Brother(s) (*use full name, title and number of Dist.*), A.F. & A.M. of Idaho."

W.M. extends a cordial welcome - then continues:

"Brethren, join me in according (our Brother - or these

Brethren) a Hearty Welcome." W.M. then continues: "Brother Senior Deacon, you will reseal our visiting (Brother - or - Brethren)."

2. Dist. Dep. Grand Master of your own District. (*Public Grand Honors*)

(A Dist. Dep. is entitled to the courtesies due a representative of the G.M. However, he CANNOT open or close the Lodge except in accordance with Section 1702 of the Grand Lodge By-Laws. After the Lodge is open, he may preside therein on the invitation of the Master.)

W.M. directs. "The District Deputy Grand Master of the (*use number of own Dist.*) will please rise."

When Dist. Dep. rises - Master continues: "Brother Senior Deacon, you will escort our District Deputy Grand Master to the Altar for introduction."

Sd escorts Dist. Dep. to Altar - then states:

"Worshipful Master-I have the honor of introducing Brother (*use full name*), District Deputy Grand Master of the (*use number of Dist.*) Masonic District, A.F. & A.M. of Idaho."

(If the Grand Master is present, the Senior Deacon should escort the District Deputy to the East but to the left of the Worshipful Master. The place on the right of the Master is thereby reserved for the Grand Master who will be introduced later.)

W.M. extends a cordial welcome then directs: "Brother Senior Deacon, you will escort (*use full name or title*) to the East (on my right-or-on my left)."

Sd escorts Dist. Dep. to East (north or south of Altar as directed) and remains in place near East during Honors. After Honors, when gavel is sounded to seat the

Lodge, Sd returns to his station or remains in place to await further instructions.

W.M. receives Dist. Dep. with a hand clasp - then continues:

"Brethren, join me in according the Public Grand Honors." *If Dist. Dep. is not to be invited to East-Master welcomes him at the Altar, gives Public Grand Honors there - then continues:*

"Brother Senior Deacon, you will reseat our District Deputy Grand Master."

3. Appointive Grand Lodge Officer(s) (*Hearty Welcome*) W.M. directs: "All Appointive Grand Lodge officers will please rise." *If any rise*-Master continues: "Brother Senior Deacon, you will escort (our Brother - or - these Brethren) to the Altar for introduction."

Sd escorts the Br (or Bn) to the Alter - all sign - and the Sd continues:

"Worshipful Master - I have the honor of introducing (*use full name and title of each officer*) of the Grand Lodge A.F. & A.M. of Idaho."

W.M. extends a cordial welcome -then continues:

"Brethren, join me in according our Appointive Grand Lodge Officer(s) a Hearty Welcome." After Hearty Welcome is completed - Master continues:

"Brother Senior Deacon, you will re-seat (our Brother - or - these Brethren)."

4. Most Worshipful Past Grand Master(s) (*Private Grand Honors*) W.M. directs: "All Past Grand Masters will please rise." *If any rise* - Master continues: "Brother Senior Deacon, you will escort our Past Grand Master(s) to the Altar for introduction."

Sd escorts Br (or Bn) to the Altar - all sign - and Sd continues: "Worshipful Master- I have the honor of introducing (*use full name of each*) Most Worshipful Past Grand Master(s) of Masons in Idaho."

. (*If any of the Past Grand Masters hold some other office - add*) "and presently (*use full & proper title*) of the Grand Lodge A.F. & A.M. of Idaho."

W.M. welcomes the Br (or Bn) - then continues:

"Brethren, join me in according the Private Grand Honors." When Honors are completed - Master continues: "Brother Senior Deacon, you will re-seat our Past Grand Master(s)."

5. R.W. Elective Grand Lodge Officer(s) (*Public Grand Honors*) W.M. directs: "All Elective (*and if any Past Elective Grand Lodge Officers are present - add "and past Elective"*) Grand Lodge Officers will please rise."

If any rise - Master continues: "Brother Senior Deacon, you will escort (our Brother-or-these Brethren) to the Altar for introduction."

Sd escorts Br (or Bn) to Altar-all sign-and Sd continues:

"Worshipful Master - I have the honor of introducing (*use full name & title of each officer*) of the Grand Lodge A.F. & A.M. of Idaho."

Master Welcomes Br (or Bn) then directs: " Brethren, join me in according our Elective Grand Lodge Officer(s) the Public Grand Honors."

When Honors are completed-Master continues - "Brother Senior Deacon, you will re-seat (our Brother – or - these Brethren)."

6. Visiting (*presiding*) Most Worshipful Grand Master(s) (*Private Grand Honors*)

Visiting Grand Master will retire with our own G.M. - or, they will remain outside the Lodge-room until time for their reception. They are received in the same manner as our own G.M ... and if there are several of them, they are received in one group, and after their introduction they are seated among the Bn.

7. Most Worshipful Grand Master (*Private Grand Honors.*)

To receive the Grand Master (*consult with him*), and unless he directs otherwise, the following procedure is in order:

(Seldom - usually does not apply) In case the Lodge is being opened, or is already at labor, and the Grand Master arrives late, *or without any previous notice*, the Tyler gives alarm at door. Jd answers alarm (*without any instructions from the Master*) Tyler informs Jd "The Most Worshipful Grand Master of Masons in Idaho is present and desires admission."

After receiving message, Jd closes door, (*and at opportune time*) signs, and reports:

"Worshipful Master - The Most Worshipful Grand Master of Masons in Idaho is present, and desires admission."

(This is an unusual circumstance, but the Master directs an escort to retire and escort the M. W. Grand Master to the Altar for introduction.)

(Normal Sequence) The presence of the Grand Master is already known. (*Do NOT direct the Jd to ascertain whether or not the G.M. is present.*)

If the Grand Master remains outside the Lodge-room during the opening, he is entertained by some member(s) until time for his reception.

Usually the G.M. enters the Lodge-room to observe the opening - and having done so, he will (*at a convenient time during the other introductions*) approach the Altar, sign, and retire to await his escort and reception.

As G.M. retires - Jd opens door for him to depart.

When receiving the Grand Master, the master selects a distinguished Mason of his own choice (*usually the Dist. Dep.*) to serve as escort - and directs:

"Brother (*use name or title*), (*designated escort rises*) you will retire with the Marshal (*Mar. rises*), and the Senior Deacon (*Sd rises*), and escort the Most Worshipful Grand Master to the Altar for introduction."

These three approach the Altar, sign, and retire (*proceeding abreast*).

Jd opens door for them to depart, closes door after their departure, and returns to his station.

When G.M. is ready to enter, Tyler gives alarm at door. Jd answers alarm (*without any instruction from Master*) and Tyler reports to Jd:

"Brother Junior Deacon, the Most Worshipful Grand Master of Masons in Idaho desires admission."

Jd closes door, signs, and reports: "Worshipful Master - the Most Worshipful Grand Master of Masons in Idaho desires admission."

W.M. responds: "Admit him."

Jd opens door, *and Master calls Lodge up (three raps *** Escort has G.M. on his right, and Sd follows with Marshal on his right. These four enter Lodge-room and*

advance on square to Altar. (*When they have cleared the doorway, the Jd closes door and returns to his station.*)

At the Altar these four form a line facing East (*their order from north to south being the Sd, escort, Grand Master, and Marshal*). They all sign together, Sd & Marshal take one step back, and the escort makes the introduction:

"Worshipful Master - I have the honor of introducing Brother (*use full name*), The Most Worshipful Grand Master of Masons in Idaho."

(*When escort completes the introduction, he takes one step back.*)

W.M. extends a cordial welcome-then continues:

"Brother (*use full name or title of escort*), you will escort our Most Worshipful Grand Master to the East."

Escort takes G.M. north of Altar to East, and Sd & Marshal remain in place. (*Escort then remains in place near East until gavel is sounded to seat the Lodge.*)

W.M. receives G.M. with a handclasp, and with the G.M. on his right (*both facing West*) - the Master continues:

"Brethren, join me in according the Private Grand Honors."

Following Honors, the Master presents gavel - *he may use his own words - or, recite the following:*

"Most Worshipful Grand Master, I have the honor of presenting to you this gavel. We shall be pleased to have you preside over the deliberations of this Lodge. Your skill in drawing designs upon the Masonic Trestle Board is well known, and no doubt we shall receive both pleasure and profit from your instructions."

The G.M. may keep the gavel, preside, and return it at his pleasure - but he will probably express his gratitude for this honor, seat the Bn, and return the gavel to the Master.

(In event the G.M. merely returns the gavel, the Master should seat the Lodge.)

As the Lodge is seated (*either by the G.M. or the Master*) the escort returns to his seat. *If the escort is the Dist. Dep. he proceeds west, turns S on a line immediately W of A, and after passing A he turns East and advances to seat left of Master. When Dist. Dep. turns E, the Sd (north of A) and Marshal (south of A) advance with him as they proceed to their stations.*

In case the escort is not the Dist. Dep. and he takes a seat somewhere on the north or south of the Lodge Room, the Sd (north of A) and Marshal (south of A) advance together as they proceed to their stations.

When the business of the Communication is completed, the Master should again offer the gavel to the G.M. and request him to close the Lodge.
