

IDEAL BEACH COMMUNITY ASSOCIATION

Ideal Beach Community Association My Neighborhood Scholarship

The Ideal Beach Community was developed some 100 years ago as a summer community of beach cottages. This community located in the North Middletown section of Middletown Township, has grown into a vibrant neighborhood. We are proud of its past and excited about its future. We have a K-5 elementary school, 2 parks, a walking trail, 2 churches, a business district, a community center, a volunteer fire department, a first aid and rescue squad, and an incredible beach.

The Ideal Beach Community Association was established in 2009 with a commitment to improve and preserve all this is great about living in the ideal beach community. We are consistently striving to better our community through beautification projects, promoting safety through our Neighborhood Watch program, supporting our community volunteer organizations, serving as a conduit of information, township representation, and providing events/programs that unite our community. We are exceptionally proud that this will be the 2nd year we can award this incredible scholarship.
