2023 ANNUAL REPORT

SHOREVIEW COMMUNITY
FOUNDATION

The Mission of Shoreview Community Foundation (SCF) is to maintain, enhance and enrich the quality of life in Shoreview by connecting the generosity of our residents with the community's evolving needs. This Shoreview-focused avenue for philanthropy offers financial support to qualified local not-for-profit and governmental organizations which sustain and facilitate positive results for Shoreview citizens. Combining resources makes a difference. Your passion becomes reality.

The Shoreview Community Foundation operates as a separate charitable fund under the umbrella of the Saint Paul and Minnesota Foundation.

LETTER FROM THE CHAIR

2023. In. The. Books.

As I end my term serving on the board of your community foundation, I am grateful for so many things. I am grateful for the beautiful and vibrant community that is Shoreview, the many strong and focused non-profit partners on the frontlines making a difference every day and the opportunity to be part of a passionate group of committed citizens working together to move this organization forward. The legacy that continues, built upon by those willing to serve and donate time and funds, will continue long after each of us as individuals have done our best in the moments we've been allowed.

We are not perfect. We can do more. With your help. We invite you to join us as thought partners, community service project volunteers, non-profit partners, board members, donors and as friends.

Our partners – 2023 grantees, donors, the St. Paul and Minnesota Foundation, emeritus board members – all contribute to the ongoing success of this organization and the ability to grow an endowment focused on meeting the ongoing and changing needs of those in our community.

From human services, arts, public recreation spaces and more, this community foundation funds and partners with organizations to make Shoreview a wonderful place to live, work and play.

Please join us in 2024 as we strive to celebrate our roots, grow our branches and enhance the quality of life in Shoreview for all by providing a path for generous people like you to meet today – and into the future – the evolving needs of those in our community.
