

I SPY QUILT 2 - Optional Sizes

4 Blocks Across and Down (16 total) = 46.5" Square Quilt

5 Blocks Across and Down (25 total) = 58" Square Quilt

BLOCK PIECE	YARDAGE	CUTTING
Center Square <i>Use Novelty Prints</i>	Pre-cuts	16 OR 25 – 6" x 6" squares
Outer Square Sashing <i>Use a variety of prints</i>	1/8 yd Strips	16 OR 25 – 3 ½" x 6" rectangles 16 OR 25 – 3 ½" x 12" rectangles
Backing	3 ½ yd	2 - 63" x WOF
Binding	½ yd	5 OR 6 – 2 ½" WOF

Seam allowance – ¼" | WOF = Width of Fabric 42"

BLOCK ASSEMBLY

1. Trim the *Outer Square Sashing* strips and cut 2 - 3 ½" x 6" and 2 - 3 ½" x 12" rectangles.
2. Sew a 3 ½" x 6" rectangle to the left side and right side of a 6" *Center Square*. Press seams.
3. Sew a 3 ½" x 12" rectangle to the top and bottom of Step #2 assembled block. Press seams. The unfinished block should measure 12" square.
4. Repeat Steps 1 and 2 to make (16) blocks for smaller quilt *OR* (25) blocks for larger quilt.

QUILT ASSEMBLY

1. Arrange blocks across and blocks down to optional size of your liking. Sew blocks in rows and then sew rows together. Each finished square should measure 11 ½" to make the above listed overall quilt top sizes. Press.

FINISHING THE QUILT

1. The backing fabric is included in the kit, however, it will need to be cut and pieced together to fit the quilt top size selected. Suggested piecing method is either a) cut yardage lengths in half *OR* b) cut along the straight of grain (perpendicular to the selvage) to make one continuous length. Then sew two pieces together to accommodate the width of the quilt top.
2. Layer backing, batting and the quilt top. Baste as desired. Quilt as desired.
3. Cut and sew 2 ½" WOF strips into binding and bind the quilt as desired. Note: The 46" square quilt will use @ 194" of continuous binding and the 57 ½" square quilt top will use @240" of continuous binding.
4. Add label.
