Hello and welcome to the Bull's Head Inn. We are glad that you have considered us for your event. The Bull's Head Inn has a long and rich history of serving groups large and small for generations. We can accommodate many size events from cocktail parties, kids and adult birthday parties, showers, school events, annual meetings, reunions or elegant weddings. We have several private and semi-private rooms and a cellar tavern to accommodate your needs. This menu is food for thought. If there are other options or special requests for your event, we will do our best to accommodate your need. Please allow us to cater your event to make it the special day you want. We can fit to any budget and need.

**Off site catering options are available as well. We can come to you or have platters ready to go.**

All final planning and payment should be made with your planner one week before the event. So come and let us take the work out of your hands with our professional staff and food that is a taste above others. We are here to make your day special and memories that will last a lifetime.

Thank you. See you soon!
