

Franklin Vintage Machinery Club Inc.

VINTAGE HARVEST FESTIVAL

30th - 31st March 2019

To be held at Farm Park Road (opposite Glenbrook Vintage Railway)

A cordial invitation is extended to you to participate at the forthcoming event.

It is over 30 years of the clubs formation and what better way to celebrate the occasion is to combine with kindred clubs and display vintage machinery together.

A grain crop has been planted and will be harvested with equipment restored from the Old Days.

It is planned to have a varied display of working machinery of interest to exhibitors and general public.

- ♦ Vintage engines operating: Vintage tractors ploughing and discing
- ♦ Old time reaping and binding: Old time stationary hay baling
- ♦ Vintage military vehicles in action: Vintage cars: Vintage trucks
- ♦ Steam traction engine: Clydesdale horse wagon rides: Big band music
- ♦ Clydesdale horse ploughing: Country craft stalls: Children's activities
- ♦ Steam train rides at the Glenbrook Vintage Railway site

If you or your club is interested in attending please don't hesitate to contact us.
